

THIRD AMENDMENT TO LAND LEASE NO. 209

This Third Amendment to Land Lease No. 209 is made and entered into this ___ day of _____, 2009, by and between the City of Los Angeles, acting by and through the Board of Recreation and Park Commissioners, hereinafter referred to as CITY, and the Autry National Center of the American West (formerly the Gene Autry Western Heritage Museum), a California nonprofit corporation, hereinafter referred to as AUTRY.

WITNESSETH

WHEREAS, in 1987 CITY entered into a land lease with AUTRY for the use of certain land in Griffith Park, which land lease (i) was amended in February, 1991 by that certain First Amendment (relating to the construction of an earthen berm, etc.) and (ii) amended in June, 1998 by that certain Second Amendment (relating to the relocation of the Zoo's waste water treatment facility, revising the legal description of the premises, etc.) (collectively, the LEASE).

WHEREAS, CITY and AUTRY desire to amend the LEASE to revise the legal boundaries of the leased premises.

NOW, THEREFORE, in consideration of the premises and of the terms, covenants and conditions contained in the LEASE and herein, the parties agree to amend the Land Lease No. 209 as follows:

1. Bridle Trail and Corral

AUTRY shall relocate portions of the bridle trail and the corral as reflected in Exhibit B-3. The legal description for the Lease Premises shall be revised accordingly as noted in Exhibit A-3, and said Exhibit A-3 shall replace Exhibit A-2. It is the intent of the parties that the bridle trail and corral be outside of the Lease Premises and in the control of CITY.

2. Comply with All Applicable Laws

AUTRY shall comply with all applicable statutes, ordinances, laws, rules and regulations relating to this LEASE.

3. Improvement Project

a. Project Approval. Attached as Exhibit C is the Improvement Project proposed by AUTRY to be constructed on the subject property (hereinafter, Improvement Project). CITY hereby authorizes AUTRY to apply for and obtain all necessary approvals for the Improvement Project, including any required City or other agency land use entitlements and permits and other City land use or building approvals.

Subject to AUTRY obtaining (i) final design approval by the Cultural Affairs Commission (ii) a conditional use permit and (iii) any variances, City approves construction by the AUTRY of the Improvement Project on the subject property, per Article XX-B of the Lease and the associated landscaping and outdoor improvement plan per Article XX-C of the Lease;

b. "As Built" Drawings. AUTRY shall submit to CITY reproducible "as built" drawings of the final new improvements constructed on the Lease Premises, provided that such drawings need not include AUTRY's security system. However, as to the security systems, any and all drawings and other records re the security system(s) shall be provided by AUTRY to CITY, at no cost or expense to CITY, at the expiration or earlier termination of this LEASE. Any other exclusions shall be approved prior to delivery by CITY.

c. AUTRY recognizes and acknowledges that the City retains its full discretionary powers and duties to determine whether or how to grant such land use permits and approvals, and that in acting approving this lease amendment, the City is acting in its proprietary capacity, and in processing and acting on any applications for the Improvement Project, the City is acting in its regulatory capacity. AUTRY acknowledges that the CITY's rights and responsibilities to process applications for land use entitlements or the Cultural Affairs Commission's rights and responsibilities to consider final design approval are separate, distinct and independent from the obligations under this Lease.

4. Article VII of the Lease is amended to add a second paragraph thereto, to read as follows:

AUTRY further agrees to and shall indemnify, save, hold the City, its agents, officers or employees harmless and, if requested by the City, AUTRY shall defend the City, its agents, officers or employees in any action brought by a third party (1) challenging the validity this Amendment to the Lease, the Environmental Impact Report for the Improvement Project, or any land use approvals necessary to implement the Improvement Project as contemplated by this Amendment to the Lease, unless the AUTRY expressly in writing abandons the Improvement Project or (2) seeking damages which may arise directly or indirectly from the negotiation, formation, amendment, execution, enforcement of this Amendment to the Lease. City agrees that it shall fully cooperate with AUTRY in the defense of any matter in which AUTRY is defending and/or holding the City harmless. City may make all reasonable decisions with respect to its representation in any legal proceeding.

IN WITNESS WHEREOF, the parties have caused this Amendment to be executed by their duly authorized representatives.
