RECOMMENDATIONS:

That the Board:

1. Authorize the transfer of \$300,000 within Recreation and Parks Fund 302, Department 88, as follows:

FROM: Account 1010 – Salaries, General	\$300,000
--	-----------

TO: Account 1070 – Salaries, As-Needed	\$300,000
--	-----------

2. Authorize the General Manager or his designee to make technical corrections as necessary to those transactions included in this Report.

SUMMARY:

Periodic budgetary adjustments are necessary to meet the Department’s workload and mandates. At this time, an internal budgetary transfer between accounts is necessary because specific types of expenditures must be made from designated appropriation accounts. The following transfer is requested to meet this need:

Account 1070, Salaries, As-Needed (\$300,000). Additional funding is requested for the Salaries, As-Needed account to cover part-time labor costs to be incurred prior to the conclusion of the current fiscal year. This year, the Department’s summer programs will begin one week earlier than usual. The summer programs are supported with the use of extensive part-time staff, increasing the part-time labor costs for the Department. In addition, there are 27 full pay periods this fiscal year rather than the typical 26, which will also increase labor costs. Additional

funding is needed in the Salaries, As-Needed account to cover the additional labor costs.

FISCAL IMPACT STATEMENT:

This transfer between accounts is for budgetary adjustments and has a net zero impact on the Department's General Fund.

RECOMMENDATIONS:

That the Board:

1. Subject to the approval of the Mayor, approve the reduction of appropriation within Recreation and Parks Fund 302/88, Account No. 1010, Salaries General by \$136,565;
2. Authorize the Chief Accountant Employee to decrease the appropriation in Recreation and Parks Fund 302/88, Account No. 1010, Salaries General by \$136,565; and,
3. Authorize the General Manager or his designee to make technical corrections as necessary to the transaction included in this Report to carry out the intent as stated in the Summary of this Report.

SUMMARY:

The Department of Recreation and Parks (RAP) is responsible for operating, maintaining and supervising activities at parks, playgrounds, swimming pools, public golf courses, recreation centers, camps, educational facilities, and structures of historic significance. To meet its responsibilities, RAP is annually appropriated a sum of not less than .0325% of assessed value for all property as assessed for City property taxes (Charter Section 593). RAP may also receive additional appropriations from the City's General Fund if approved by the City Council and Mayor of the City of Los Angeles.

In RAP's Fiscal Year 2011-12 Adopted Budget, the City Council and Mayor approved an additional City General Fund appropriation of \$3,000,000 for RAP (a subsidy above RAP's

REPORT OF GENERAL MANAGER

PG. 2

Charter mandated amount). These funds appropriated with two specific purposes: (1) \$2,000,000 for outside landscaping maintenance of other City of Los Angeles' facilities (not owned by RAP) and (2) \$1,000,000 to support RAP's maintenance and recreation provided services at the Housing Authority City of Los Angeles (HACLA) owned public housing sites.

Subsequent to the adoption of the Fiscal Year 2011-12 Budget, HACLA paid \$1,000,000 directly to RAP for the services to be provided during the current Fiscal Year at HACLA sites.

The City Administrative Officer (CAO) reports to the Council and Mayor on the status of the City's financial condition on a regular basis and makes recommendations on strategies necessary to meet the City's funding requirements. The Second Financial Status Report (FSR) (Council File 11-0600-S152) prepared by the CAO, requested RAP's Commissioners to approve the reduction of appropriation in RAP's Fund No. 302/88 Account No. 001010 by \$90,000 to transfer to and provide funding for the Department of General Services' (GSD) lot sweeping services. Council adopted this recommendation on February 22, 2012. In the Fourth Construction Projection Report, the CAO will request that RAP's Commissioners approve an additional reduction of appropriation in RAP's Fund No. 302-88 Account No. 001010 by \$46,565. This reduction and transfer of funding to GSD, the Public Works Bureau of Contract Administration and the Bureau of Engineering will provide funding for the rehabilitation of the landscaping for the Police Administration Building.

Charter Section 591 provides authority to the Board of Recreation and Parks to control appropriate and expend all money in the Recreation and Parks Fund. Therefore, Council requests that the RAP Board approve the reduction of appropriation of \$136,565 within RAP's Fund 302/88, Account No. 1010, Salaries General.

FISCAL IMPACT STATEMENT:

This transaction will reduce the City General Fund subsidy by \$136,565 provided to RAP during Fiscal Year 2011-12. Expenditures will be adjusted in order to ensure all budgetary targets are met.

RECOMMENDATIONS:

That the Board:

1. Accept a donation from the Natasha Watley Foundation (Foundation) valued at approximately \$15,721, as detailed in the Summary of this Report, with appropriate recognition given to the donor; and,
2. Direct the Department's Chief Accounting Employee to deposit the cash portion of the donation into Fund No. 301/88 RBI Account MRPXX322, the Reviving Baseball in Inner Cities (RBI) fund.

SUMMARY:

In 2011, the Foundation provided to the Department of Recreation and Parks (RAP) in-kind donations valued at \$14,900 and \$2,475 in cash for the implementation of a youth girls softball league.

For 2012, the Foundation proposes to donate the following: sports uniforms with an estimated value of \$5,361, softball equipment with an estimated value of \$2,160, cash in the amount of \$1,200 to pay for umpires, and in-kind services in the form of a Coach Mentor Program. The Coach Mentor Program, as further explained below, is a service provided by the Foundation at no cost to the Department with a value of approximately \$6,000. The Foundation will also provide manuals and other materials with an approximate value of \$1,000, providing guidelines for the implementation of a successful youth girls softball league at nine City parks, for an estimated total donation valued at \$15,721.

REPORT OF GENERAL MANAGER

PG. 2

NO. 12-166

The Natasha Watley Softball League (League) has been in existence since 2008. The League has grown over the past three years. In 2011, the League consisted of 14 teams at 12 recreation centers located in the Pacific Region: Algin Sutton, Baldwin Hills, Central, Green Meadows, Imperial Courts, Jackie Tatum/Harvard; Jordan Downs; Mount Carmel; Rosecrans; Ross Snyder; Van Ness; and William Nickerson Gardens. Over 180 girls between the ages of eight and twelve participated in the League. The 2011 League was the first year the Foundation became involved in the League; and with the Foundation's help, the League was a big success. In order to contribute to the League's success, the Foundation added two new components to the League: the Coach Mentor Program; and an Essay Contest. The Coach Mentor Program matches top female athletes from universities nationwide with each of the participating recreation centers. Coach Mentors not only coach but also teach the "Four Points of the Diamond" – discipline, dedication, dignity and duty. With the help of the Coach Mentors, each player is given the opportunity to write an essay based on the core values of character and the Four Points of the Diamond. The contest winner and a chaperone are given the opportunity to attend the National Pro Fast Pitch Championship Game in Sulphur, Louisiana, and participate in softball clinics taught by top female athletes, with all expenses paid by the Foundation.

The Foundation was founded by two-time Olympic softball medalist Natasha Watley to create opportunities for girls in underserved communities, so that they may learn and play the game of softball. The Foundation desires to see young women whose financial resources are limited, be able to train, develop, and compete in a high-quality softball league.

The League is a summer program that takes place this year from June through August, 2012. This year's League consists of 12 teams representing nine recreation centers and their respective communities. Opening Day will be held on June 6, 2012, at Algin Sutton Recreation Center. Games begin June 12 and end on or about August 16, 2012. Each team will play eight games. All games will be played on Thursday evenings. RAP will conduct all administrative functions related to the program, such as promoting the League, recruiting and registering players, providing assistant coaches who will assist with weekly practices, providing players with transportation to and from games as needed, and hosting the opening and closing ceremonies using the registration fees collected from player participation to pay related expenses.

The Foundation will enhance the League experience with activities such as the Coach Mentor program and Essay Contest. Other than requiring that the donated funds and equipment be used for the implementation of the League at participating parks in the Pacific Region, the Foundation is asking for nothing in return. Upon receipt and deposit of the funds into the RBI MRP Account MRPXX322, RAP will have full control of the funds through its Pacific Region for the operation of the League.

REPORT OF GENERAL MANAGER

PG. 3

NO. 12-166

FISCAL IMPACT STATEMENT:

Acceptance of this donation results in no impact to the Department's General Fund, but rather will supplement the payment of Program related expenses, as RAP does not have the necessary funding or resources to conduct these youth programs at the same level without assistance from supporters like the Foundation.

RECOMMENDATION:

That the Board accept the donation from the United States Tennis Association (USTA) consisting of the refurbishment of tennis courts at Echo Park and Peck Park, as described in the Summary of this Report, and valued at approximately \$85,405, and that appropriate recognition be given to USTA.

SUMMARY:

The USTA has offered to perform certain improvements to the tennis courts at Echo Park and Peck Park. The work will be contracted by USTA directly with Zaino Tennis Courts, Inc., a company selected through a competitive bid process conducted by the USTA. The planned improvements primarily consist of the repair and resurfacing of 12 courts, six courts each at Echo Park and Peck Park, along with the installation of new nets. The repairs and enhancements and required labor for such enhancements are approximately valued at \$85,405. A temporary Right-Of-Entry (ROE) permit will be issued by the Partnership Division to facilitate the improvements, which will be coordinated with and overseen by maintenance staff in the Metro and Pacific Regions.

In 2010, USTA donated improvements to the tennis courts at Jackie Tatum/Harvard Recreation Center valued at \$50,000. The courts were successfully completed by Zaino Tennis Courts, Inc. and allowed improved play by the public.

Acknowledgements should be sent to United States Tennis Association, 70 West Red Oak Land, White Plains, NY 10604, to the attention of Maiysha Warren.

REPORT OF GENERAL MANAGER

PG. 2 NO. 12-167

FISCAL IMPACT STATEMENT:

Acceptance of this donation results in no fiscal impact to the Department's General Fund, as the costs of the improvements will be funded and contracted entirely by the USTA at their sole expense. Maintenance of these courts is accounted for in the Department's maintenance budget for these facilities, although refurbishing the courts could result in savings in maintenance costs.
