RECOMMENDATIONS:

That the Board:

1. Grant approval to name the gymnasium building at Saint Andrews Recreation Center, the Brad Pye, Jr. Athletic Center, in honor of Mr. Brad Pye, Jr.; and,
2. Authorize the installation of appropriate park signage.

SUMMARY:

Saint Andrews Recreation Center is an 8.58 acre community park located at 8701 South Saint Andrews Place, Los Angeles, California 90047. The facility includes an indoor gymnasium/auditorium, lighted baseball diamonds, indoor and outdoor basketball courts, a football field, picnic tables, tennis courts, as well as sports and after school programs.

In 2014, the Department of Recreation and Parks (RAP) considered a request from Council Office 8 to rename Saint Andrews Recreation Center as Brad Pye, Jr. Recreation Center in honor of Brad Pye Jr. Unfortunately, under the Board’s adopted Naming Policy, a RAP facility can’t be named for a person who is still living. Therefore, since Mr. Pye, is very much alive, the request was denied.

REPORT OF GENERAL MANAGER

PG. 2 NO. 15-105

Recently, the Council Office subsequently submitted to staff a revised request to name the indoor gymnasium feature at this facility the Brad Pye, Jr. Athletic Center. RAP staff has reviewed this revised request and finds that it falls within the parameters of the Board's Policy. As stated in the policy, the naming of a feature within a park for a person is allowed if that person is of 'unique significance' and where there is 'compelling and impressive substantiation demonstrating how the interests of City and its residents were served or impacted.'

Brad Pye, Jr. served and positively impacted the Los Angeles community in many ways. He was the first African-American President of the Department of Recreation and Park Board of Commissioners, serving on the Commission from 1969 to 1979 and elected Commission President for four separate appointments from 1970 to 1971, 1972 to 1973, 1973 to 1974, and 1977 to 1978. He is credited during his time on the Board of Commissioners for opening senior positions within the Department to African American employees, thus paving the way for Algin Sutton to be the first African-American Assistant General Manager of the Department and Jackie Tatum to be the first African-American General Manager of the Department.

In addition, Brad Pye, Jr. spent much of his life in the Central Avenue area of Los Angeles, near the Saint Andrews Recreation Center. He attended both Lafayette and Carver Junior High Schools and Jefferson High School before majoring in journalism at East Los Angeles College. Mr. Brad Pye Jr. was employed by the County of Los Angeles where he worked for over 24 years for the County Angeles, first as a senior deputy in the Second Supervisorial District which includes Saint Andrews Recreation Center and then as a manager within the Department of Children and Family Services. He is perhaps most widely remembered for his prolific career as a sportswriter and commentator having written for the Los Angeles Sentinel, L.A. Watts Times and Inland Valley News newspapers and broadcasting on radio stations KGFJ, KJLH, KACE and KDAY. Mr. Pye also served as a Commissioner on the Los Angeles Memorial Coliseum and Sports Arena Commission from 1967 to 1979. During his tenure as a sportswriter Mr. Pye would also host mentoring sessions at St. Andrews Recreation Center for local youth, thus strengthening the nexus between Mr. Pye and this particular park.

Given the 'compelling and impressive substantiation demonstrating how the interests of City and its residents were served or impacted' by Brad Pye, Jr., as well as his historic accomplishments in the fields of youth and professional sports, Recreation and Parks management and are in support of the recommendation to name the existing gymnasium at Saint Andrews Recreation Center the Brad Pye, Jr. Athletic Facility.

Staff has determined that the subject project is exempt from provisions of the California Environmental Quality Act (CEQA), pursuant to Article III, Section 1, Class 11 (1), of the City CEQA guidelines, which provides for placement of signs on park property as accessory structures to recreational facilities.

REPORT OF GENERAL MANAGER

PG. 3

NO. 15-105

FISCAL IMPACT STATEMENT:

There is no fiscal impact to the Department for the naming of this indoor gymnasium as the costs for the creation and installation of the appropriate signage will be paid for by funds provided by the Council Office.

RECOMMENDATION:

That the Board:

1. Approve the proposed amendment to the Aquatics pages of the Department of Recreation and Parks' Schedule of Rates and Fees for Aquatics Pool Admission, as outlined in the body of this Report and attached Schedule (Attachment 1), effective upon Board approval;
2. Authorize staff to amend the Aquatics Section of the Schedule of Rates and Fees to incorporate these changes; and,
3. Authorize the General Manager to make any necessary technical changes and incorporate those changes into the rates and fees.

SUMMARY:

The City of Los Angeles (City), Department of Recreation and Parks (Department) operates 38 seasonal and 16 year-round swimming facilities. Youth recreational swim (17 years and under) is a programming component offered at all sites. In June 2014 the entrance fee for youth swim increased from free to \$1.00. Youth attendance in 2013 was 341,357 and in 2014, 234,379. Youth attendance dropped by 105,978 for the summer of 2014.

REPORT OF GENERAL MANAGER

PG. 2

NO. 15-106

To increase youth attendance it is proposed the Department offer a Youth Summer Swim Pass at a discounted rate of \$25.00 for unlimited recreational swim entries Memorial Day Weekend through Labor Day at all year-round, seasonal, and Hansen Dam swim facilities. This is to encourage youth swimming by allowing a youth the opportunity to swim 104 days for \$25.00. The Youth Summer Pass will be made available for sale at all aquatic facilities immediately through the second week of August. Proration of cost will not be permitted.

FISCAL IMPACT STATEMENT:

Single sale youth entries may go down but, the increase in the purchase of youth passes may offset the impact to the Department's General Fund.

This report was prepared by Patricia Delgado, Principal Recreation Supervisor I, Aquatic Division.

RECOMMENDATION:

That the Board approve the proposed ticket price increase for the Griffith Park Pony Ride, from Three Dollars (\$3) to Four Dollars (\$4) per ride, effective upon Board approval.

SUMMARY:

The Concessionaire of the Griffith Park Pony Ride has been in operation since 1980, offering a variety of pony rides including a pony sweep for toddlers, walking and trotting ponies for children under eighteen (18) years of age and one hundred (100) pounds, and a pony-pulled wagon for adults and children.

The Concessionaire currently charges Three Dollars (\$3) for all rides. The last price increase, from Two Dollars (\$2) to Three Dollars (\$3) per ride, was approved by the Recreation and Park Commission on January 3, 2007 (Report No. 07-09).

According to the Concession Agreement between the City and the Concessionaire, the standard to be used for the approval or disapproval of prices shall be the prevailing market price for the same type of service. Staff has verified that the proposed price is not only within the range of market prices but is on the affordable end of the scale as demonstrated in the following price list of comparable concession operations:

REPORT OF GENERAL MANAGER

PG. 2

NO. 15-107

| <u>Concession Facility</u> | <u>Price</u> |
|----------------------------|---|
| Irvine Regional Park | \$5 |
| Lakewood Equestrian Center | \$5 for hand-walked pony; \$6 for trotting pony |
| Montebello Barnyard Zoo | \$4 |
| Peltzer Farms, Temecula | \$5 |

The proposed price increase will help offset increased expenses in feed, veterinarian services, insurance, and payroll taxes; an official notice of the proposed increase was published in accordance with California Code Section 6062a.

In 2014, the Concessionaire paid a total of One Hundred Thirty-Eight Thousand, Two Hundred Thirty Dollars (\$138,230) in rent to the City. Assuming 2014 gross ticket sales and rent figures continue in the coming years, the proposed price increase would yield approximately Forty-Six Thousand Dollars (\$46,000) in additional revenue per year to the Department, an increase of approximately thirty-three percent.

FISCAL IMPACT STATEMENT:

Approval of the One Dollar (\$1) price increase would provide an estimated Forty-Six Thousand Dollars (\$46,000) in additional revenue to the Department. Ninety percent of revenue received is deposited into the Department's General Fund and ten percent (10%) is deposited into the Concession Improvement Account.

RECOMMENDATIONS:

That the Board:

1. Approve the Echo Park Boathouse Café Concession Request for Proposals (RFP) for a three (3) year Concession Agreement (Agreement), substantially in the form on file in the Board Office, subject to review and approval of the City Attorney as to form;
2. Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the RFP to the City Attorney for review and approval as to form;
3. Direct staff, subsequent to City Attorney review and approval as to form, to advertise the RFP and conduct the RFP process;
4. Authorize the General Manager, or designee, to make any necessary technical changes and incorporate such changes in the RFP.

SUMMARY:

The Echo Park Boathouse Café Concession (Concession) is in the fifteen hundred (1,500) square foot Echo Park Boathouse (Boathouse), located at 751 N. Echo Park Avenue in Echo Park, Los Angeles, CA 90026, on the east side of Echo Park Lake (Lake). The Boathouse was originally constructed in 1932. The design of the Boathouse is in the Spanish Colonial Revival Style. The Boathouse is a historically significant contributing element to the park surrounding Echo Park Lake (Park). The thirteen (13) acre Lake is surrounded by the Park, with eleven (11) acres of open recreational space. In 2006, the City of Los Angeles (City) designated the Park as Historic-Cultural Monument (HCM) No. LA-836.

Other amenities located close to the Lake include a baseball diamond, lighted indoor and outdoor basketball courts, a play area for children, a lighted football field, two (2) swimming pools, a

soccer field, and lighted tennis courts. Besides offering a variety of recreational activities to be enjoyed by patrons, the historic Park has also long been a popular location for Hollywood filming.

The Boathouse has undergone several aesthetic and building system retrofits throughout the years. Phase I of the most recent rehabilitation effort, the Echo Park Boathouse Rehabilitation Project (Project), was completed in 2007. The Project entailed preserving the existing piles, rehabilitating the dock and providing individuals with disabilities access to the dock.

In July 2012, Phase II of the Project, including the aesthetic, and structural retrofit of the existing building and mechanical systems, was completed. The Boathouse rehabilitation was a small part of the larger Project. Two (2) long-term concessions are to be developed and located in the Boathouse, a café operation and a pedal boat rental operation.

On July 20, 2013, the Café Concession opened for operation on an interim basis, under a ninety (90) day interim permit with Square One Dining and included the exclusive right and obligation to staff, equip and operate the café. The Concession offers Park patrons and the neighboring community a moderately-priced gourmet food menu of baked goods, breakfast items, sandwiches, salads and non-alcoholic beverages.

On October 2, 2013, the Board approved and awarded Square One Dining a one (1) year concession agreement (Agreement) with two (2), one (1) year options to extend the Agreement at the discretion of the General Manager of the Department of Recreation and Parks (Department) (Board Report No. 13-244), to operate and maintain the Café Concession while an RFP for a three (3) year Agreement is developed for release. The Agreement was reviewed and approved by the Mayor's Office and the City Attorney's Office as to form. The Agreement (Contract Agreement No. 273) was executed on October 4, 2013. Square One Dining is currently operating the Café Concession. From January 2014 through December 2014, Square One Dining generated average monthly gross receipts of Forty-five Thousand Two Hundred and Twenty Dollars (\$45,220.00). An average monthly revenue share of Two Thousand Two Hundred and Sixty Dollars (\$2,260.00) was paid to the Department. The first one-year extension option was exercised. The Agreement will expire on October 10, 2015. The one (1), one (1) year option to extend the Agreement remains.

The Café Concession operation is very well received by the community. Staff anticipates continued success for the Concession. Park patrons enjoy the café's outdoor seating and moderately-priced gourmet health-conscious menu.

Staff has developed and is now ready to release, at the direction of the Board, a RFP for the operation and maintenance of the Concession. With this RFP, the Department seeks a qualified, experienced, and financially sound operator who will meet or exceed the Department's expectations in all operational and financial areas, and optimize service to the public and profitability of the Concession.

Proposal and Contractual Provisions

1. Proposal Deposit: A Five Thousand Dollar (\$5,000.00) proposal deposit will be required with the submission of each proposal.
2. Term: Three (3) years.
3. Revenue-Sharing Terms: The Minimum Acceptable percentage for this RFP is nine percent (9%) of gross receipts for all food and beverage sold during the three (3) years. The annual minimum revenue-sharing payment for this Concession per calendar year will be determined by the proposer in the Pro Forma section of the selected proposal or Twenty-seven Thousand One Hundred and Forty Dollars (\$27,140.00), whichever is greater. If the annual minimum revenue-sharing payment is not met by December 31st of each calendar year, the difference between the actual revenue-sharing payment received by the Department and the annual minimum revenue-sharing fee will be due to the Department by January 15th of the subsequent year, pro-rated as necessary for the first year of operation or fractional part thereof, and pro-rated as necessary for the final year of operation or fractional part thereof.
4. Concession Improvements: No concession improvement proposals are required in the RFP. Physical improvements, repairs or physical alterations to the Boathouse are restricted due to the historical significance of the facility.

The Boathouse is a historically significant contributing element to the Park, which is designated as HCM No. LA-836 in accordance with Chapter 9, Article 1 of the Los Angeles Administrative Code. HCM No. LA-836 is listed in the California Register of Historic Resources as eligible for the National Register of Historic Places. The Boathouse is considered historically significant for California Environmental Quality Act (CEQA) purposes.

During the term of the Agreement, no improvements, repairs or physical alterations to the Boathouse may be initiated by selected proposer without prior written approval from the General Manager. In addition to written approval from the General Manager, the selected operator must also obtain the prior written approval of the Cultural Heritage Commission

for any proposed substantial alterations to the affected area, in accordance with Section 22.171.14 of the Los Angeles Administrative Code.

Any infractions, large or small, will be treated as a material breach of the Agreement and will be subject to all of the applicable laws, fines and penalties imposed by the City's Department of Building and Safety, as well as the Office of Historic Resources. Additional remedies may include the termination of the Agreement, including loss of all financial investment at the time of the breach.

5. **Improvements and Reserve Fund:** The Concessionaire, in addition to submitting a monthly revenue sharing payment, shall also submit to the Department a monthly reserve fund (Fund) payment in the amount of Two Hundred Dollars (\$200.00) per month for the purpose of repair, refurbishment, or replacement of equipment and capital improvements. This Fund shall not be used for routine repair and maintenance or replacement of equipment. The Fund shall be cumulative and carry-over from year-to-year during the term of the Agreement. In the event of the Agreement termination for any reason, or at the conclusion of the Agreement term, any amount in this Fund account will remain with the Department. Annually in January, the Concessionaire may submit a request for use of the Fund for expenditures in the coming year, for review and the written approval of the General Manager. In the event of emergency, the Concessionaire shall request in writing the use of the Fund for other purposes, or the General Manager may request use of the Fund on a specific repair, refurbishment, or replacement.
6. **Utilities:** The Concessionaire shall be responsible for utility charges associated with the Concession. Charges may include, but are not limited to, deposits, installation costs, meter deposits, and all service charges for water, gas, electricity, heat, air-conditioning, trash pick-up, and other utility services to the premises, and shall be paid by the Concessionaire regardless of whether such utility services are furnished by the City or by other utility service providers. The Concessionaire will pay directly for telephone services, which will be in the name of the Concessionaire. In the event that individual utility meters are not available, the Concessionaire shall remit, on a monthly basis in conjunction with revenue-sharing and monthly reserve fund payments to the Department, the amount of Four Hundred Fifty Dollars (\$450.00) as payment for utilities. Payment of utilities will be subject to increase after the first year of operation to cover increasing utility costs.
7. **Contractual and Financial Terms:** The City will enter into an Agreement whereby the City has no financial responsibility or liability for operation of the Concession and the City will share in profits in the form of a percentage of gross revenue and annual minimum revenue sharing payment in addition to monthly reserve fund payment and utility payments if applicable.
8. **Performance Deposit:** A Performance Deposit (Deposit) will be required to be maintained for the duration of the Agreement in the amount of Five Thousand Dollars (\$5,000.00). The Deposit will be in the form of a cashier's check made out to the City of Los Angeles.

Evaluation Process

Proposals will be evaluated in two (2) Levels. Level I will be a check and review by Concessions Unit staff for required compliance to City contracting requirements and submittal documents. Level II will be a comprehensive evaluation of the proposals by a panel comprised of qualified persons not part of the Concessions Unit that may include individuals outside the Department. Proposers must successfully pass Level I to proceed to Level II.

REPORT OF GENERAL MANAGER

RFP Evaluation Criteria Areas

For the purposes of evaluation, the proposals that passed Level I will be evaluated on the criteria below (Level II):

- 1) Business Plan (20 points possible)
- 2) Proposed Operational Plan for the Echo Park Boathouse Café Concession (20 points possible)
- 3) Proposed Revenue-Sharing Payment (60 points possible)

The RFP documents will be advertised in the Los Angeles Daily Journal; made available on the Department's website; and posted on the Los Angeles Business Assistance Virtual Network (BAVN). A letter inviting bids will be mailed to organizations and individuals from a mailing list maintained by the Concessions Unit.

A mandatory Pre-Proposal Conference will be held approximately one (1) month after the release of the RFP in order to provide potential proposers with a review of the submittal documents, compliance documents and requirements for the Business Inclusion Program (BIP) as mandated by the Mayor's Executive Directive No. 14, Villaraigosa Series, and the Board's policy for the adoption and implementation of BIP (Board Report No. 12-050, approved February 15, 2012). Additionally, a mandatory site walk will be conducted after the conference in order for the potential proposers to view the facility to get a better understanding of the operation and maintenance of the Concession.

FISCAL IMPACT STATEMENT:

Releasing the Request for Proposals will have no impact to the Department's General Fund.

REPORT OF GENERAL MANAGER

PG. 2

NO. 15-109

SUMMARY:

Pershing Square, located at 532 South Olive Street in Downtown Los Angeles has proven to be a popular venue with the public. The park hosts a summer concert series, winter season “Holiday on Ice” ice-skating rink, seasonal movie nights and other events, with each providing temporary food and beverage services. Although Pershing Square is also a popular setting for weekday lunch visits by the surrounding business community, a daily food or beverage service does not exist. The Department of Recreation and Parks (Department) explored the potential for providing such services on two (2) previous occasions.

On August 11, 2010, the Board of Recreation and Park Commissioners (Board) approved a Request for Proposals (RFP) process for the “Pershing Square Park Food and Beverage Service Concession” (Report No. 10-224), but nothing resulted from that effort as no proposals were received. The nation’s economy at that time was in a period of recovery from the financial crisis that impacted many business sectors, and it is believed that this may have contributed to the lack of response to the 2010 Food and Beverage Service RFP.

On November 19, 2014, the Board approved a second RFP process, for the “Pershing Square Branded Coffee” RFP (Report No. 14-288), which was to solicit proposals for a high-quality branded coffee service that would include fast and casual food, such as pastries, pre-packaged salads, sandwiches, and non-alcoholic beverages in addition to coffee.

Modifications to the Existing Scope of Services

Subsequent to the Board’s approval of the Branded Coffee RFP, the Department recognized that the scope of the RFP severely limited the types of businesses that could operate at the site. In order to maximize the number of potential proposals, it was decided that the RFP should be expanded to solicit proposals from businesses that would provide a more extensive menu of freshly prepared items, compared to the coffee and pre-packaged foods as outlined in the Branded Coffee RFP. This decision was based in large part on the Board’s expressed interest in developing a more robust concessions operation that would increase potential revenue to the Department while providing quality service to patrons.

The change in scope from a branded coffee service to a full service café appears to be in alignment with the plans of potential proposers; the Department was contacted by a restaurant operator interested in opening a Baja-style cantina/taqueria, and a nation-wide high-end burger chain has also expressed interest in operating at the site. With Downtown Los Angeles in the midst of a renaissance, the area immediately surrounding Pershing Square has experienced a sizable increase in the amount of investment, as evidenced by the surge in commercial and residential development. With increased public transit options and the multitude of new construction projects for housing and retail, more residents and businesses are relocating back

REPORT OF GENERAL MANAGER

PG. 3

into the downtown area. Staff believes this presents a prime opportunity for the Department to increase revenue and augment the park's amenities by reinstating a high-quality food and beverage service operator.

The Department has been in discussions with the Pershing Square Park Advisory Board (PAB), which welcomes the release of the RFP. The PAB is well aware that previous attempts to reintroduce a food and beverage service operator were unsuccessful, but with more people living, working and playing downtown, the site is now more attractive to proposers than was previously the case.

Therefore, staff recommends that the 2010 Food and Beverage Concession RFP (2010 RFP) and 2014 Branded Coffee RFP (2014 RFP) be cancelled, and that a third, 2015 "Pershing Square Café Concession" RFP (2015 RFP) be approved and released for processing, as further described in this report. With the re-stabilized economy and the resurgence of residential and commercial development in the vicinity of Pershing Square, it is anticipated that the 2015 RFP, as proposed herein, will generate more interest among potential proposers, thereby optimizing the Department's revenue generating potential, while enhancing the park experience for Pershing Square's patrons.

It is further recommended that the scope of operations for the 2015 RFP be structured to solicit proposals for a Café Concession that offers a menu of freshly prepared, hot food items with non-alcoholic and alcoholic beverage selections, in addition to pre-packaged menu items to be sold from mobile carts throughout Pershing Square. Thus, the following language from the 2014 RFP regarding minimum acceptable requirements should be excluded from the 2015 RFP:

- A minimum of five (5) years' experience as an established brand coffee trade name currently operating in at least thirty (30) locations throughout California; or
- A minimum of five (5) years' experience as an established brand coffee trade name currently operating in at least twenty (20) locations in ten (10) states across the Country.

Below is the proposed language for the minimum acceptable requirements for the 2015 RFP:

It is the Department's intent to enter into a contractual agreement with a Concessionaire who has a proven track record of operating a successful café business that includes alcoholic and non-alcoholic beverages, freshly prepared hot food items, and mobile food cart service. In order for the submitted proposal to be considered, all proposing entities must clearly demonstrate a minimum of five (5) years' experience in operating a successful business as described in this RFP.

NO. 15-109

Modifications to Existing Terms and Provisions

Although many of the general terms and conditions in the previously approved 2014 RFP will remain in the 2015 RFP, staff proposes additional changes beyond the expansion of the scope of services to be provided. Proposed modifications to existing sections of the 2014 RFP, which will be included in the 2015 RFP, are outlined below.

Proposal and Contractual Provisions

1. **Proposer's and Performance Deposits:** The Board approved language in the 2014 RFP that required a proposer's deposit and a performance deposit, each in the amount of Five Thousand Dollars (\$5,000.00), in the form of cashier's checks. The proposer's deposit is to be submitted with the proposal, and the performance deposit must be provided prior to the execution of the Concession Agreement. It is proposed that the required deposits be increased to Twenty Thousand Dollars (\$20,000.00) each, to ensure that only serious proposers with sufficient working capital apply for a contract award.
2. **Term:** The Board-approved 2014 RFP provided for a term of ten (10) years, with two (2) five-year options to renew at the sole discretion of the General Manager. It is requested that the term be decreased to ten (10) years, with no option to renew. This will allow the Department a greater level of flexibility in making essential changes to the operation of the concession if needed.
3. **Hours/Dates of Operation:** The Board-approved 2014 RFP states, "The selected contractor will ensure service is provided as follows: Subject to Negotiation. Seven (7) days a week, except for major holidays. Major Holidays will be defined and negotiated upon completion of the RFP process. Hours are subject to change with the prior written approval of the General Manager. The concession will be open, at a minimum, the same hours that the ice skating rink is open to the public during the annual Downtown on Ice event."

Proposed replacement language is as follows:

"At a minimum, the Concession shall be open for a minimum of six (6) hours per day, year round. Concessionaire must post the hours of operation in a location visible to the public and must be open for business during the hours posted. Exceptions to the normal operating hours are as follows:

- The Concession's hours of operation will coincide with City or Department sponsored special events. The Concessionaire is responsible for coordinating the hours of operation with the Pershing Square Facility Manager."

REPORT OF GENERAL MANAGER

PG. 5

NO. 15-109

4. **Payment Terms:** The Board-approved 2014 RFP provided for a monthly flat rent of \$7,000.00 per month, at minimum, with a negotiated annual increase beginning in the third contract year.

It is proposed that the language be changed in the 2015 RFP as follows:

The minimum revenue-sharing payment required is the Annual Minimum Revenue-Sharing Guarantee of:

- \$48,000 annually for years one (1) through three (3) of the contract;
- \$63,000 annually for years four (4) through six (6) of the contract;
- \$84,000 annually for years seven (7) through ten (10) of the contract;

or

12% of gross receipts from all sales, whichever is higher.

The proposed revenue-sharing payments for the first three contract years equate to \$4,000 per month as opposed to the \$7,000 per month proposed in the Branded Coffee RFP. Staff believes the lower rental amount corresponds with the current size and amenities of the concession facility and will enable the Concessionaire to fund any proposed capital improvements.

5. **Alcoholic Beverages:** The Board-approved 2014 RFP contains language stating that no alcoholic beverages are to be consumed, dispensed, sold, or brought onto Premises.

Proposed language in the 2015 RFP will state that the purchase of alcoholic beverages will be limited to sales by the Concessionaire or, in the case of a City- or Department-sponsored special event, sales by a Department-approved vendor. Consumption will be limited to designated area(s). Designated area(s) may vary based on whether use is part of daily operation or part of a special event and will be determined on a case by case basis and according to applicable regulations.

Modifications to the Evaluation Criteria

The Board-approved 2014 RFP included the following four (4) evaluation criteria:

- 1) Business Plan (40 points)
- 2) Sustainability Plan (20 points)
- 3) Rent Payment (20 points)
- 4) Facility Improvements (20 points)

REPORT OF GENERAL MANAGER

PG. 6

NO. ~~15-109~~

The evaluation criteria have been modified for the 2015 RFP and are as follows:

- 1) Business Plan (including Sustainability Plan) (20 points)
- 2) Proposed Revenue Sharing Payment (60 points)
- 3) Facility Improvements (20 points)

The modified point categories reflect the Department's focus on maximizing revenue generation at its concession facilities and provides for the implementation of a capital improvement plan.

Upon Board approval of the release of the 2015 RFP and City Attorney approval as to form, staff will move forward with the next steps in the process, which include advertising the business opportunity and making the RFP documents available to interested parties.

FISCAL IMPACT STATEMENT:

The Board's approval of, and authorization to release, the 2015 RFP including the proposed changes from the 2014 RFP as described in this Report, shall have no impact on the Department General Fund.

SUMMARY:

The Greek Theatre is located at 2700 North Vermont Avenue in Griffith Park and was officially dedicated in 1929. Since that time, it has provided entertainment and cultural events to the general public and residents of Los Angeles. In 2014, the Greek Theatre generated \$27,270,564.00 in gross receipts; however, the revenue-sharing payments to the City of Los Angeles (City) Department of Recreation and Parks (RAP) totaled only \$1,977,312.00. This represents the total revenue share payment for all revenue categories of the venue including, but not limited to, food and beverage, parking, sponsorships and tickets sold.

On April 15, 2015, the Board approved General Manager's Report No. 15-082 authorizing RAP to proceed with implementation of an Open Venue model at the Greek Theatre. To begin implementing the Open Venue model, two (2) Requests for Proposals (RFPs) are required, one for the oversight of the open venue model and the other for the food and beverage concession.

DISCUSSION:
