Approved _____ Disapproved _____ Withdrawn _____

RECOMMENDATIONS:

That the Board:

1. Approve the scope of the Fremont High School Pool – Roof Renovation (PRJ20937) project, as described in the Summary of this Report;
2. Authorize the Department of Recreation and Parks' (RAP) Chief Accounting Employee to establish new Quimby Fees Account No. 89460K-FC with Fremont High School Pool as the Account Name;
3. Authorize the RAP's Chief Accounting Employee to transfer Two Hundred Eighty-Six Thousand, Thirty-Two Dollars (\$286,032) in Quimby Fees from the Quimby Fees Account No. 89460K-00 to the Fremont High School Pool Account No. 89460K-FC;
4. Approve the allocation of Two Hundred Eighty-Six Thousand, Thirty-Two Dollars (\$286,032) in Quimby Fees from Fremont High School Pool Account No. 89460K-FC for the Fremont High School Pool – Roof Renovation (PRJ20937) project, as described in the Summary of this Report;
5. Find that the actions taken by the Board of Recreation and Park Commissioners (Board) herein are exempt from the California Environmental Quality Act (CEQA); and,

REPORT OF GENERAL MANAGER

PG. 2

NO. 15-237

6. Authorize the RAP's Chief Accounting Employee to make technical corrections as necessary to carry out the intent of this Report.

SUMMARY:

Fremont High School Pool is located at 7630 South Towne Avenue in the South Los Angeles community of the City. This 0.64acre facility provides an indoor, year-round, swimming pool for the use of the surrounding community. Approximately 7,695 City residents live within one-half mile walking distance of Fremont High School Pool. Due to the size of the park, and the facilities, features, and programs it provides, Fremont High School Pool currently meets the standard for a Community Park, as defined in the City's Public Recreation Plan.

RAP staff has determined that the renovation of Fremont High School Pool roof is necessary for continued operation of the facility and to continue to meet the needs of the surrounding community. Staff estimates that these improvements will cost approximately Two Hundred Eighty-Four Thousand Dollars (\$284,000).

Upon approval of this Report, the total allocation of Two Hundred Eighty-Six Thousand, Thirty-Two Dollars (\$286,032) in Quimby Fees can be transferred from the Quimby Fees Account No. 89460K-00 to the Fremont High School Pool Account No. 89460K-FC and allocated to the Fremont High School Pool – Roof Renovation (PRJ20937) project. These Fees were collected within two miles of Fremont High School Pool, which is the standard distance for the allocation of the Quimby Fees for community recreational facilities.

TREES AND SHADE:

The approval of this project will have no impact on existing trees or shade at Fremont High School Pool, and no new trees or new shade are proposed to be added to Fremont High School Pool as a part of this project.

ENVIRONMENTAL IMPACT STATEMENT:

Staff has determined that the subject project will consist of modifications to existing park facilities involving negligible or no expansion of use. Therefore, the project is exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1(1,4) of the City CEQA Guidelines.

REPORT OF GENERAL MANAGER

PG. 3

NO. 15-237

FISCAL IMPACT STATEMENT:

The approval of this allocation of Quimby Fees will have no fiscal impact on RAP.

The estimated costs for the design, development, and construction of the proposed park improvements are anticipated to be funded by Quimby Fees or funding sources other than the RAP's General Fund. The maintenance of the proposed park improvements can be performed by current staff with minimal impact to existing maintenance service at this facility.

This Report was prepared by Darryl Ford, Principal Project Coordinator, Planning, Construction, and Maintenance Branch.
