RECOMMENDATIONS

1. Find that the Department of Recreation and Parks (RAP) desires to secure a contract to provide recreation and parks equipment, and installation, in order to enhance the recreational experience of the public;
2. Find that Kompan, Inc. (Kompan), is experienced in providing playground, outdoor fitness equipment, site accessories, surfacing, and related products and services, and is willing to perform such services;
3. Find that Kompan can provide such services economically and expediently to RAP and it is in RAP's best interest to secure these services with Kompan;
4. Find, pursuant to Charter Section 371(e)(2), that the professional, scientific, expert, technical or other special services to be provided by Kompan are of a temporary and occasional character for which competitive bidding is not practicable or advantageous;
5. Find, pursuant to Charter Section 371(e)(8), that the City may, in lieu of undertaking its own competitive bidding or proposal process, use (piggyback) the State of North Carolina, City of Charlotte (Charlotte) Contract No. 2017001135 (Charlotte Contract) with Kompan, as provided by Omnia Partners, Public Sector (subsidiaries National IPA and U.S. Communities) (Omnia) (Appendix A), a public agency serving as a national municipal contracting agency established under the Service Cooperative statute by Minnesota Legislative Statute §123A.21 with the authority to develop and offer, among other services, cooperative procurement services to its membership, because contracts for cooperative

arrangements with other governmental agencies for the utilization of the purchasing contracts and professional, scientific, expert or technical services contracts of those agencies and any implementing contracts, even though the contracts and implementing contracts were not entered into through a competitive bid or proposal process are an exception to the City's competitive bidding and proposal requirements;

6. Find, pursuant to Charter Section 371(e)(10), that the services to be provided by Kompan are for the performance of professional, scientific, expert or technical services and the use of competitive bidding would be undesirable, impractical or impossible or is otherwise excused by common law;
7. Find, in accordance with Charter Section 1022, that RAP does not have available in its employ personnel with the necessary expertise to undertake and accomplish the aforementioned specialized supplies and professional services in a timely manner and that it is more feasible to secure these services by contract; and
8. Find that the email attached hereto dated October 24, 2019 (Appendix B) from Omnia authorizes RAP as a Participating Public Agency with participating agency number 5265956 to utilize Contract No. 2017001135 between Kompan and Charlotte through Omnia for the purchase of playground, outdoor fitness equipment, site accessories, surfacing, and related products and services;
9. Authorize RAP to enter into the proposed Contract substantially in the form attached to this Report as Exhibit 2 subject to the review and approval of the Mayor, the City Council and the City Attorney as to form, between RAP and Kompan, for the purchase and installation of playground, outdoor fitness equipment, site accessories, surfacing, and related products and services, on an occasional and as needed basis, in an amount not-to-exceed Four Million Dollars (\$4,000,000.00) per year; the initial term of this contract being from the date of execution through the prorated remainder of the Charlotte Contract between Kompan and Charlotte, set to expire July 1, 2022;
10. Authorize RAP's General Manager at his sole discretion to extend the term of the Contract for two additional two-year terms, if Charlotte exercises its option to renew its Charlotte Contract with Kompan for two additional two-year terms, with a corresponding expiration date of July 1, 2024 and July 1, 2026 respectively;
11. Direct the Board of Recreation and Park Commissioners (Board) Secretary to transmit the Contract to the Mayor in accordance with Executive Directive No. 3 (Villaraigosa Series), and to transmit the Contract to the City Council for approval, and to the City Attorney for approval as to form;
12. Authorize RAP's General Manager or their designee to make technical corrections to the proposed Contract as necessary;
13. Authorize the Board President and Secretary to execute the proposed Contract upon receipt of the necessary approvals.

BOARD REPORT

PG. 3 NO. 19-245

SUMMARY

RAP has an ongoing need for the purchase and installation of playground and outdoor fitness equipment, surfacing, site furnishings and related products and services on an occasional and as-needed basis. The ability to purchase and install such material and equipment is critical to meeting RAP's needs to build new and retrofit and repair existing park property.

The proposed Contract with Kompan provides RAP with a variety of turnkey designs, manufacturing and installation options for playground equipment, outdoor fitness equipment, poured-in-place and/or manufactured surfaces, site furnishings, and related products and services. The contract allows RAP the ability to select a wide variety of standard manufactured and customized recreation and playgrounds, outdoor fitness equipment, surfaces, site furnishings and related products and services. If desired, RAP may use this Contract to retrofit, repair and/or maintain RAP's existing recreation and parks equipment.

RAP staff is recommending that the Board authorize RAP to piggyback on Charlotte's competitively bid contract provided through Omnia (Appendix A). The Charlotte Contract is marketed by Omnia as a master intergovernmental cooperative purchasing agreement, and was a result of a competitively bid process (RFP #269-2017-028 attached Exhibit 3) wherein all purchasing parties are guaranteed the greatest discount off catalog pricing of products and services. Use of this Contract is consistent with RAP's contract terms for achieving the lowest pricing available. A new competitive process facilitated by RAP would therefore not be practicable or advantageous. Further, under the City Charter, contracts for cooperative arrangements with other governmental agencies for the utilization of the purchasing contracts and professional, scientific, expert or technical services contracts of those agencies and any implementing contracts, even though the contracts and implementing contracts were not entered into through a competitive bid or proposal process are an exception to the City's competitive bidding requirements. Omnia has issued a registration email confirming that (Appendix B) RAP is authorized to use the Charlotte Contract with Kompan. RAP will issue a separate contract number and enter into a separate contract with Kompan (Exhibit 2), which will incorporate the terms of the Charlotte Contract (Appendix A) and the Standard Provisions for City Contracts (Rev 10/17)[v.3] (Appendix C to proposed Contract). The Charlotte Contract is set to expire on July 1, 2022. Additionally, Charlotte has the option to extend its contract, which if exercised, would extend the term of its contract for two additional two-year terms with corresponding expiration dates of July 2, 2024, and July 1, 2026 respectively. In the event that Charlotte exercises its option(s), it is recommended that RAP's General Manager have the sole discretion to also extend RAP's Contract for two additional two-year term(s) as outlined above.

The proposed contract is recommended in an amount not-to-exceed an annual expenditure of Four Million Dollars (\$4,000,000.00) per year for the purchase and installation of playground, outdoor fitness equipment, surfacing, site furnishings and related products and services on an as-needed basis. The contract amount is an estimate, and RAP does not guarantee that the contract maximum amount will be reached. RAP, in entering into the contract, guarantees no minimum amount of business or compensation. The contract awarded through this Report shall be subject to funding availability and early termination by RAP, as provided in the Standard

PG. 4 NO. 19-245

Provisions for City Contracts (Rev 10/17)[v.3]. Funding for projects will be provided from various funding sources.

FISCAL IMPACT STATEMENT

Executing this proposed Contract will enable RAP to carry out various construction and maintenance projects on an occasional as-needed basis, and has no impact to RAP's General Fund as funding will be identified on a per project basis. Funding sources may include but not be limited to Proposition 68 Grants, Measure A Grants, other grants, gifts, and Quimby/Park Fee funds.

This Report was prepared by Robert Feld, Sr. Management Analyst II, Finance Division, and reviewed by Matthew Rudnick, Chief Management Analyst Finance Division.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Report advances RAP's Strategic Plan by supporting:

Goal No. 3: Create and Maintain World Class Parks and Facilities

Outcome No. 3: Increased park maintenance

Each month more than 500 new public agencies register to participate. The continuing rapid growth of public agency participation is fueled by the program's proven track record of providing public agencies unparalleled value.

The Supplier(s) must communicate directly with any Participating Public Agency concerning the placement of orders, issuance of the purchase order, Contractual disputes, invoicing, and payment.

City of Charlotte, North Carolina is acting as "Contracting Agent" for the Participating Public Agencies and shall **not** be held liable for any costs, damages, expenses, fees, liabilities, etc. incurred by any other Participating Public Agency.

Each Participating Public Agency enters into a Master Intergovernmental Cooperative Purchasing Agreement (MICPA) outlining the terms and conditions that allow access to the Lead Public Agencies' Master Agreements. Under the terms of the MICPA, the procurement by the Participating Public Agency shall be construed to be in accordance with, and governed by, the laws of the state in which the Participating Public Agency resides. A copy of the MICPA is attached in Section 8.

1.4.4 Estimated Volume

This estimate is based on the anticipated volume of the Lead Public Agency, the U.S. Communities Advisory Board members, and current sales within the U.S. Communities program. While there is no minimum quantity of Products required to be purchased under the proposed Master Agreement, City of Charlotte and the U.S. Communities Advisory Board Members are committed

to utilizing the Master Agreement. The Advisory Board members shall determine if the Master Agreement is of value to their agency, and will promote the Master Agreement among other public agencies nationwide and internationally. The Advisory Board in 2015 purchased more than \$160 Million Dollars of Products and Services from existing U.S. Communities Contracts.

The City of Charlotte reserves the right to award the Contract locally and/or nationally in the aggregate, by section, multiple award, primary, secondary, and tertiary, whichever is in the best interest of the City of Charlotte and Participating Public Agencies as a result of this solicitation.

1.4.7 Evaluation of Proposals

U.S. Communities reserves the right to make available or not make available Master Agreements awarded by a Lead Public Agency to Participating Public Agencies.

SUPPLIER QUALIFICATIONS

1.5 SUPPLIERS

1.5.1 Commitments

U.S. Communities views the relationship with an awarded Supplier as an opportunity to provide maximum benefit to both the Participating Public Agencies and to the Supplier.

The successful foundation of the partnership requires commitments from both U.S. Communities and the Supplier. U.S. Communities requires the Supplier to make the four commitments set forth below (Corporate, Pricing, Economy, and Sales) to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies:

(a) **Corporate Commitment.**

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier's primary Contractual offering of Products and Services to Public Agencies. All of Supplier's direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier's primary offering and not just one of Supplier's Contract options.

(ii) Supplier's sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier's senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier's Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's U.S. Communities program and linked to U.S. Communities' website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that

Section 1

U.S. Communities Overview and Requirements

national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with Companywide authority.

(viii) Where Supplier has an existing Contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing Contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's Contracts offering lower prices.

- (A) Supplier holds a state Contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.
- (B) Supplier holds a regional cooperative Contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.
- (C) Supplier holds a Contract with an individual Public Agency. The Public Agency Contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the Contract. Supplier would be required to match the lower pricing under the

Section 1

U.S. Communities Overview and Requirements

Master Agreement and make it available only to the individual Public Agency.

(iii) Deviating Buying Patterns. Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative Contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

- (A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.
- (B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the Contract, the sales would be reported as sales under the Master Agreement.
- (C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the Contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.
- (D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a Contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

U.S. Communities Overview and Requirements

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) **Economy Commitment.** Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate Proposals and solicitations.

(d) **Sales Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other Contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product listings, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive Contract.

Section 1

U.S. Communities Overview and Requirements

- (ii) Branding and Logo Compliance. Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.
- (iii) Sales Force Training. Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.
- (iv) Participating Public Agency Access. Supplier shall establish the following communication links to facilitate customer access and communication:
 - (A) A dedicated U.S. Communities internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

 - (2) Copy of original procurement solicitation;
 - (3) Copy of Master Agreement including any amendments;
 - (4) Summary of Products and Services pricing;

- (vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.
- (vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use

U.S. Communities Overview and Requirements

Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or Services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party.

ARTICLE III

REPRESENTATIONS AND COVENANTS

3.1 U.S. Communities views the relationship with Supplier as an opportunity to provide benefits to the Lead Public Agency, Public Agencies and Supplier. The successful foundation of the relationship requires certain representations and covenants from both U.S. Communities and Supplier.

3.2 U.S. Communities' Representations and Covenants.

Section 7

Required U.S. Communities Information

(a) **Marketing.** U.S. Communities shall proactively market the Master Agreement to Public Agencies using resources such as a network of major sponsors including the National League of Cities (NLC), National Association of Counties (NACo), United States Conference of Mayors (USCM), and the Association of School Business Officials (ASBO) (collectively, the “Founding Co-Sponsors”) and individual national, regional and state-level sponsors. In addition, the U.S. Communities staff shall make best efforts to enhance Supplier’s marketing efforts through meetings with Public Agencies, participation in key events and tradeshows and other marketing activity such as advertising, articles and promotional campaigns.

(b) **Training and Knowledge Management Support.** U.S. Communities shall provide support for the education, training and engagement of Supplier’s sales force as provided herein. Through its staff (each, a “Program Manager” and collectively, the “Program Managers”), U.S. Communities shall, with scheduling assistance from Supplier, conduct training sessions and conduct calls jointly with Supplier to Public Agencies. U.S. Communities shall also provide Supplier with access to U.S. Communities’ private intranet website which provides presentations, documents and information to assist Supplier’s sales force in effectively promoting the Master Agreement.

3.3 **Supplier’s Representations and Covenants.** Supplier hereby represents and covenants as follows in order to ensure that Supplier is providing the highest level of public benefit to Participating Public Agencies (such representations and covenants are sometimes referred to as “Supplier’s Commitments” and are comprised of the Corporate Commitment, Pricing Commitment, Economy Commitment and Sales Commitment):

(a) **Corporate Commitment.**

(i) The pricing, terms and conditions of the Master Agreement shall, at all times, be Supplier’s primary contractual offering of Products and Services to Public Agencies. All of Supplier’s direct and indirect marketing and sales efforts to Public Agencies shall demonstrate that the Master Agreement is Supplier’s primary offering and not just one of Supplier’s contract options.

(ii) Supplier’s sales force (including inside, direct and/or authorized dealers, distributors and representatives) shall always present the Master Agreement when marketing Products or Services to Public Agencies.

(iii) Supplier shall advise all Public Agencies that are existing customers of Supplier as to the pricing and other value offered through the Master Agreement.

(iv) Upon authorization by a Public Agency, Supplier shall transition such Public Agency to the pricing, terms and conditions of the Master Agreement.

(v) Supplier shall ensure that the U.S. Communities program and the Master Agreement are actively supported by Supplier’s senior executive management.

(vi) Supplier shall provide a national/senior management level representative with the authority and responsibility to ensure that the Supplier’s Commitments are maintained at all times. Supplier shall also designate a lead referral contact person who shall be responsible for receiving communications from U.S. Communities concerning new Participating

Section 7

Required U.S. Communities Information

Public Agency registrations and for ensuring timely follow-up by Supplier's staff to requests for contact from Participating Public Agencies. Supplier shall also provide the personnel necessary to implement and support a supplier-based internet web page dedicated to Supplier's U.S. Communities program and linked to U.S. Communities' website and shall implement and support such web page.

(vii) Supplier shall demonstrate in its procurement solicitation response and throughout the term of the Master Agreement that national/senior management fully supports the U.S. Communities program and its commitments and requirements. National/Senior management is defined as the executive(s) with companywide authority.

(viii) Where Supplier has an existing contract for Products and Services with a state, Supplier shall notify the state of the Master Agreement and transition the state to the pricing, terms and conditions of the Master Agreement upon the state's request. Regardless of whether the state decides to transition to the Master Agreement, Supplier shall primarily offer the Master Agreement to all Public Agencies located within the state.

(b) **Pricing Commitment.**

(i) Supplier represents to U.S. Communities that the pricing offered under the Master Agreement is the lowest overall available pricing (net to purchaser) on Products and Services that it offers to Public Agencies. Supplier's pricing shall be evaluated on either an overall project basis or the Public Agency's actual usage for more frequently purchased Products and Services.

(ii) **Contracts Offering Lower Prices.** If a pre-existing contract and/or a Public Agency's unique buying pattern provide one or more Public Agencies a lower price than that offered under the Master Agreement, Supplier shall match that lower pricing under the Master Agreement and inform the eligible Public Agencies that the lower pricing is available under the Master Agreement. If an eligible Public Agency requests to be transitioned to the Master Agreement, Supplier shall do so and report the Public Agency's purchases made under the Master Agreement going forward. The price match only applies to the eligible Public Agencies. Below are three examples of Supplier's obligation to match the pricing under Supplier's contracts offering lower prices.

(A) Supplier holds a state contract with lower pricing that is available to all Public Agencies within the state. Supplier would be required to match the lower state pricing under the Master Agreement and make it available to all Public Agencies within the state.

(B) Supplier holds a regional cooperative contract with lower pricing that is available only to the ten cooperative members. Supplier would be required to match the lower cooperative pricing under the Master Agreement and make it available to the ten cooperative members.

(C) Supplier holds a contract with an individual Public Agency. The Public Agency contract does not contain any cooperative language and therefore other Public Agencies are not eligible to utilize the contract. Supplier would be

Section 7

Required U.S. Communities Information

required to match the lower pricing under the Master Agreement and make it available only to the individual Public Agency.

(iii) Deviating Buying Patterns. Occasionally U.S. Communities and Supplier may interact with a Public Agency that has a buying pattern or terms and conditions that considerably deviate from the normal Public Agency buying pattern and terms and conditions, and causes Supplier's pricing under the Master Agreement to be higher than an alternative contract held by Supplier. This could be created by a unique end-user preference or requirements. In the event that this situation occurs, Supplier may address the issue by lowering the price under the Master Agreement on the item(s) causing the large deviation for that Public Agency. Supplier would not be required to lower the price for other Public Agencies.

(iv) Supplier's Options in Responding to a Third Party Procurement Solicitation. While it is the objective of U.S. Communities to encourage Public Agencies to piggyback on to the Master Agreement rather than issue their own procurement solicitations, U.S. Communities recognizes that for various reasons some Public Agencies will issue their own solicitations. The following options are available to Supplier when responding to a Public Agency solicitation:

(A) Supplier may opt not to respond to the procurement solicitation. Supplier may make the Master Agreement available to the Public Agency as a comparison to its solicitation responses.

(B) Supplier may respond with the pricing, terms and conditions of the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement.

(C) If competitive conditions require pricing lower than the standard Master Agreement pricing, Supplier may submit lower pricing through the Master Agreement. If Supplier is awarded the contract, the sales would be reported as sales under the Master Agreement. Supplier would not be required to extend the lower price to other Public Agencies.

(D) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement. If awarded a contract, Supplier shall still be bound by all obligations set forth in this Section 3.3, including, without limitation, the requirement to continue to advise the awarding Public Agency of the pricing, terms and conditions of the Master Agreement.

(E) Supplier may respond to the procurement solicitation with pricing that is higher (net to buyer) than the pricing offered under the Master Agreement and if an alternative response is permitted, Supplier may offer the pricing under the Master Agreement as an alternative for consideration.

(c) Economy Commitment. Supplier shall demonstrate the benefits, including the pricing advantage, of the Master Agreement over alternative options, including competitive solicitation pricing and shall proactively offer the terms and pricing under the Master

Section 7

Required U.S. Communities Information

Agreement to Public Agencies as a more effective alternative to the cost and time associated with such alternate bids and solicitations.

(d) **Sales Commitment.** Supplier shall market the Master Agreement through Supplier's sales force or dealer network that is properly trained, engaged and committed to offering the Master Agreement as Supplier's primary offering to Public Agencies. Supplier's sales force compensation and incentives shall be greater than or equal to the compensation and incentives earned under other contracts to Public Agencies.

(i) **Supplier Sales.** Supplier shall be responsible for proactive sales of Supplier's Products and Services to Public Agencies and the timely follow-up to sales leads identified by U.S. Communities. Use of product catalogs, targeted advertising, direct mail, online marketing and other sales initiatives are encouraged. All of Supplier's sales materials targeted towards Public Agencies shall include the U.S. Communities logo. U.S. Communities hereby grants to Supplier, during the term of this Agreement, a non-exclusive, revocable, non-transferable, license to use the U.S. Communities name, trademark, and logo solely to perform its obligations under this Agreement, and for no other purpose. Any goodwill, rights, or benefits derived from Supplier's use of the U.S. Communities name, trademark, or logo shall inure to the benefit of U.S. Communities. U.S. Communities shall provide Supplier with its logo and the standards to be employed in the use of the logo. During the term of the Agreement, the Supplier shall provide U.S. Communities with its logo and the standards to be employed in the use of the logo for purposes of reproducing and using Supplier's name and logo in connection with the advertising, marketing and promotion of the Master Agreement to Public Agencies. Supplier shall assist U.S. Communities by providing camera-ready logos and by participating in related trade shows and conferences. At a minimum, Supplier's sales initiatives shall communicate that (i) the Master Agreement was competitively solicited by the Lead Public Agency, (ii) the Master Agreement provides the Supplier's best overall pricing and value to eligible agencies, (iii) there is no cost to Participating Public Agencies, and (iv) the Master Agreement is a non-exclusive contract.

(ii) **Branding and Logo Compliance.** Supplier shall be responsible for complying with the U.S. Communities branding and logo standards and guidelines. Prior to use by Supplier, all U.S. Communities related marketing material must be submitted to U.S. Communities for review and approval.

(iii) **Sales Force Training.** Supplier shall train its national sales force on the Master Agreement and U.S. Communities program. U.S. Communities shall be available to train on a national, regional or local level and generally assist with the education of sales personnel.

(iv) **Participating Public Agency Access.** Supplier shall establish the following communication links to facilitate customer access and communication:

(A) A dedicated U.S. Communities internet web-based homepage that is accessible from Supplier's homepage or main menu navigation containing:

- (1) U.S. Communities standard logo with Founding Co-Sponsors logos;
- (2) Copy of original procurement solicitation;

- (3) Copy of Master Agreement including any amendments;
- (4) Summary of Products and Services pricing;
- (5) Electronic link to U.S. Communities' online registration page; and
- (6) Other promotional material as requested by U.S. Communities.

(B) A dedicated toll-free national hotline for inquiries regarding U.S. Communities.

(C) A dedicated email address for general inquiries in the following format: uscommunities@(name of supplier).com.

(v) Electronic Registration. Supplier shall be responsible for ensuring that each Public Agency has completed U.S. Communities' online registration process prior to processing the Public Agency's first sales order.

(vi) Supplier's Performance Review. Upon request by U.S. Communities, Supplier shall participate in a performance review meeting with U.S. Communities to evaluate Supplier's performance of the covenants set forth in this Agreement.

(vii) Supplier Content. Supplier may, from time to time, provide certain graphics, media, and other content to U.S. Communities (collectively "Supplier Content") for use on U.S. Communities websites and for general marketing and publicity purposes. During the term of the Agreement, Supplier hereby grants to U.S. Communities and its affiliates a non-exclusive, worldwide, free, transferrable, license to reproduce, modify, distribute, publically perform, publically display, and use Supplier Content in connection with U.S. Communities websites and for general marketing and publicity purposes, with the right to sublicense each and every such right. Supplier warrants that: (a) Supplier is the owner of or otherwise has the unrestricted right to grant the rights in and to Supplier Content as contemplated hereunder; and (b) the use of Supplier Content and any other materials or services provided to U.S. Communities as contemplated hereunder will not violate, infringe, or misappropriate the intellectual property rights or other rights of any third party

3.4 Breach of Supplier's Representations and Covenants. The representations and covenants set forth in this Agreement are the foundation of the relationship between U.S. Communities and Supplier. If Supplier is found to be in violation of, or non-compliance with, one or more of the representations and covenants set forth in this Agreement, Supplier shall have ninety (90) days from the notice of default to cure such violation or non-compliance and, if Supplier fails to cure such violation or non-compliance within such notice period, it shall be deemed a cause for immediate termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion.

3.5 Indemnity. Supplier hereby agrees to indemnify and defend U.S. Communities, and its parent companies, subsidiaries, affiliates, shareholders, member, manager, officers, directors, employees, agents, and representatives from and against any and all claims, costs, proceedings, demands, losses, damages, and expenses (including, without limitation, reasonable

attorney's fees and legal costs) of any kind or nature, arising from or relating to, any actual or alleged breach of any of Supplier's representations, warranties, or covenants in this Agreement.

ARTICLE IV

PRICING AUDITS

4.1 Supplier shall, at Supplier's sole expense, maintain an accounting of all purchases made by Lead Public Agency made. This audit right shall survive termination of this Agreement for a period of one (1) year from the effective date of termination. U.S. Communities shall have the authority to conduct random audits of Supplier's pricing that is offered to Participating Public Agencies at U.S. Communities' sole cost and expense. Notwithstanding the foregoing, in the event that U.S. Communities is made aware of any pricing being offered to three (3) or more Participating Public Agencies that is materially inconsistent with the pricing under the Master Agreement, U.S. Communities shall have the ability to conduct a reasonable audit of Supplier's pricing at Supplier's sole cost and expense during regular business hours upon reasonable notice. U.S. Communities may conduct the audit internally or may engage a third-party auditing firm on a non-contingent basis. Supplier shall solely be responsible for the cost of the audit. In the event of an audit, the requested materials shall be provided in the format and at the location where kept in the ordinary course of business by Supplier.

ARTICLE V

FEES & REPORTING

5.1 Administrative Fees. Supplier shall pay to U.S. Communities a monthly administrative fee based upon the total sales price of all purchases shipped and billed pursuant to the Master Agreement, excluding taxes, in the amount of two percent (2%) of aggregate purchases made during each calendar month (individually and collectively, "Administrative Fees"). Supplier's annual sales shall be measured on a calendar year basis. All Administrative Fees shall be payable in U.S. Dollars and shall be made by wire to U.S. Communities, or its designee or trustee as may be directed in writing by U.S. Communities. Administrative Fees shall be due and payable within thirty (30) days of the end of each calendar month for purchases shipped and billed during such calendar month. U.S. Communities agrees to pay to Lead Public Agency five percent (5%) of all Administrative Fees received from Supplier to help offset Lead Public Agency's costs incurred in connection with managing the Master Agreement nationally.

5.2 Sales Reports. Within thirty (30) days of the end of each calendar month, Supplier shall deliver to U.S. Communities an electronic accounting report, in the format prescribed by Exhibit B, attached hereto, summarizing all purchases made under the Master Agreement during such calendar month ("Sales Report"). All purchases indicated in the Sales Report shall be denominated in U.S. Dollars. All purchases shipped and billed pursuant to the Master Agreement for the applicable calendar month shall be included in the Sales Report. Submitted reports shall be verified by U.S. Communities against its registration database. Any data that is inconsistent with the registration database shall be changed prior to processing. U.S. Communities reserves the right upon reasonable advance notice to Supplier to change the prescribed report format to accommodate the distribution of the Administrative Fees to its program sponsors and state associations.

Section 7

Required U.S. Communities Information

5.3 Exception Reporting/Sales Reports Audits. U.S. Communities or its designee may, at its sole discretion, compare Supplier's Sales Reports with Participating Public Agency records or other sales analysis performed by Participating Public Agencies, sponsors, advisory board members or U.S. Communities staff. If there is a material discrepancy between the Sales Report and such records or sales analysis as determined by U.S. Communities, U.S. Communities shall notify Supplier in writing and Supplier shall have thirty (30) days from the date of such notice to resolve the discrepancy to U.S. Communities' reasonable satisfaction. Upon resolution of the discrepancy, Supplier shall remit payment to U.S. Communities' trustee within fifteen (15) calendar days. Any questions regarding an exception report should be directed to U.S. Communities in writing to reporting@uscommunities.org. If Supplier does not resolve the discrepancy to U.S. Communities' reasonable satisfaction within thirty (30) days, U.S. Communities shall have the right to engage outside services to conduct an independent audit of Supplier's reports. Supplier shall solely be responsible for the cost of the audit.

5.4 Online Reporting. Within forty-five (45) days of the end of each calendar month, U.S. Communities shall provide online reporting to Supplier containing Supplier's sales reporting for such calendar month. Supplier shall have access to various reports through the U.S. Communities intranet website. Such reports are useful in resolving reporting issues and enabling Supplier to better manage its Master Agreement.

5.5 Usage Reporting. Within thirty (30) days of the end of each contract year, Supplier shall deliver to U.S. Communities an electronic usage report of all sales under the Master Agreement, including:

- (i) Supplier's Product Number
- (ii) Product Description
- (iii) Manufacturer Name
- (iv) Manufacturer Number
- (v) Unit of Measure
- (vi) U.S. Communities Price
- (vii) Number of times ordered
- (viii) Units sold
- (ix) Sales by Manufacturer

5.6 Supplier's Failure to Provide Reports or Pay Administrative Fees. Failure to provide a Sales Report or pay Administrative Fees within the time and in the manner specified herein shall be regarded as a material breach under this Agreement and if not cured within thirty (30) days of written notice to Supplier, shall be deemed a cause for termination of the Master Agreement at Lead Public Agency's sole discretion or this Agreement at U.S. Communities' sole discretion. All Administrative Fees not paid within thirty (30) days of the end of the previous calendar month shall bear interest at the rate of one and one-half percent (1.5%) per month until paid in full.

6.8 Governing Law; Arbitration. This Agreement will be governed by and interpreted in accordance with the laws of the State of California without regard to any conflict of laws principles. Any dispute, claim, or controversy arising out of or relating to this Agreement or the breach, termination, enforcement, interpretation or validity thereof, including the determination of the scope or applicability of this dispute resolution clause, shall be determined by arbitration in Walnut Creek, California, before one (1) arbitrator. The arbitration shall be administered by JAMS pursuant to its Comprehensive Arbitration Rules and Procedures. Judgment on the award may be entered in any court having jurisdiction. The mediation will be conducted by each party designating a duly authorized officer or other representative to represent the party with the authority to bind the party, and that the parties agree to exchange informally such information as is reasonably necessary and relevant to the issues being mediated. All offers, promises, conduct, and statements, whether oral or written, made in the course of the mediation by any of the parties, their agents, employees, experts, and attorneys, and by the mediator or any JAMS employees, are confidential, privileged, and inadmissible for any purpose, including impeachment, in any arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the mediation. If the dispute is not resolved within thirty (30) days from the date of the submission of the dispute to mediation (or such later date as the parties may mutually agree in writing), the administration of the arbitration shall proceed. The mediation may continue, if the parties so agree, after the appointment of the arbitrator. Unless otherwise agreed by the parties, the mediator shall be disqualified from serving as arbitrator in the case. The pendency of a mediation shall not preclude a party from seeking provisional remedies in aid of the arbitration from a court of appropriate jurisdiction, and the parties agree not to defend against any application for provisional relief on the ground that a mediation is pending.

6.9 Successors and Assigns. This Agreement shall inure to the benefit of and shall be binding upon U.S. Communities, Supplier and any successor and assign thereto; subject, however, to the limitations contained herein.

Charlotte, NC 28202

8.1.3 Except as provided below, no proposed price increase shall be valid unless accepted by the City in writing. 8.1.4 If the City approves a price increase pursuant to this Section and the market factors justifying the increase shift so that the increase is no longer justified, the City shall have the right to terminate the price increase and revert back to the prices that were in effect immediately prior to the increase. The Company shall notify the City in writing if the market factors on which the City granted the increase change such that the City's reasons for granting the increase longer apply.

market. Any new or replacement items added may be subject to Proposal statute requirements. At no additional cost to the City, the Company may substitute any Product or Service to be provided by the Company, if the substitute meets or exceeds the Specifications, is compatible with the City's operating environment and is of equivalent or better quality to the City. Any substitution will be reflected in a written signed change order.

9. **BILLING.** Each invoice sent by the Company shall include all reports, information and data required by this Contract (including the Exhibits) necessary to entitle the Company to the requested payment. Attn: (Insert Department)

STANDARD PROVISIONS FOR CITY CONTRACTS

PSC-1. Construction of Provisions and Titles Herein

All titles, subtitles, or headings in this Contract have been inserted for convenience, and shall not be deemed to affect the meaning or construction of any of the terms or provisions of this Contract. The language of this Contract shall be construed according to its fair meaning and not strictly for or against **CITY** or **CONTRACTOR**. The word "**CONTRACTOR**" includes the party or parties identified in this Contract. The singular shall include the plural and if there is more than one **CONTRACTOR**, unless expressly stated otherwise, their obligations and liabilities shall be joint and several. Use of the feminine, masculine, or neuter genders shall be deemed to include the genders not used.

PSC-2. Applicable Law, Interpretation and Enforcement

Each party's performance shall comply with all applicable laws of the United States of America, the State of California, and **CITY**, including but not limited to, laws regarding health and safety, labor and employment, wage and hours and licensing. This Contract shall be enforced and interpreted under the laws of the State of California without regard to conflict of law principles. **CONTRACTOR** shall comply with new, amended, or revised laws, regulations, or procedures that apply to the performance of this Contract with no additional compensation paid to **CONTRACTOR**.

In any action arising out of this Contract, **CONTRACTOR** consents to personal jurisdiction, and agrees to bring all such actions, exclusively in state or federal courts located in Los Angeles County, California.

If any part, term or provision of this Contract is held void, illegal, unenforceable, or in conflict with any federal, state or local law or regulation, the validity of the remaining parts, terms or provisions of this Contract shall not be affected.

PSC-3. Time of Effectiveness

Unless otherwise provided, this Contract shall take effect when all of the following events have occurred:

- A. This Contract has been signed on behalf of **CONTRACTOR** by the person or persons authorized to bind **CONTRACTOR**;
- B. This Contract has been approved by the City Council or by the board, officer or employee authorized to give such approval;
- C. The Office of the City Attorney has indicated in writing its approval of this Contract as to form; and
- D. This Contract has been signed on behalf of **CITY** by the person designated by the City Council, or by the board, officer or employee authorized to enter into this Contract.

PSC-4. Integrated Contract

This Contract sets forth all of the rights and duties of the parties with respect to the subject matter of this Contract, and replaces any and all previous Contracts or understandings, whether written or oral, relating thereto. This Contract may be amended only as provided for in the provisions of PSC-5 hereof.

PSC-5. Amendment

All amendments to this Contract shall be in writing and signed and approved pursuant to the provisions of PSC-3.

PSC-6. Excusable Delays

Neither party shall be liable for its delay or failure to perform any obligation under and in accordance with this Contract, if the delay or failure arises out of fires, floods, earthquakes, epidemics, quarantine restrictions, other natural occurrences, strikes, lockouts (other than a lockout by the party or any of the party's Subcontractors), freight embargoes, terrorist acts, insurrections or other civil disturbances, or other similar events to those described above, but in each case the delay or failure to perform must be beyond the control and without any fault or negligence of the party delayed or failing to perform (these events are referred to in this provision as "Force Majeure Events").

Notwithstanding the foregoing, a delay or failure to perform by a Subcontractor of **CONTRACTOR** shall not constitute a Force Majeure Event, unless the delay or failure arises out of causes beyond the control of both **CONTRACTOR** and Subcontractor, and without any fault or negligence of either of them. In such case, **CONTRACTOR** shall not be liable for the delay or failure to perform, unless the goods or services to be furnished by the Subcontractor were obtainable from other sources in sufficient time to permit **CONTRACTOR** to perform timely. As used in this Contract, the term "Subcontractor" means a subcontractor at any tier.

In the event **CONTRACTOR'S** delay or failure to perform arises out of a Force Majeure Event, **CONTRACTOR** agrees to use commercially reasonable best efforts to obtain the goods or services from other sources, and to otherwise mitigate the damages and reduce the delay caused by the Force Majeure Event.

PSC-7. Waiver

A waiver of a default of any part, term or provision of this Contract shall not be construed as a waiver of any succeeding default or as a waiver of the part, term or provision itself. A party's performance after the other party's default shall not be construed as a waiver of that default.

PSC-8. Suspension

At **CITY'S** sole discretion, **CITY** may suspend any or all services provided under this Contract by providing **CONTRACTOR** with written notice of suspension. Upon receipt of the notice of suspension, **CONTRACTOR** shall immediately cease the services suspended and shall not incur any additional obligations, costs or expenses to **CITY** until **CITY** gives written notice to recommence the services.

PSC-9. Termination

A. Termination for Convenience

CITY may terminate this Contract for **CITY'S** convenience at any time by providing **CONTRACTOR** thirty days written notice. Upon receipt of the notice of termination, **CONTRACTOR** shall immediately take action not to incur any additional obligations, costs or expenses, except as may be necessary to terminate its activities. **CITY** shall pay **CONTRACTOR** its reasonable and allowable costs through the effective date of termination and those reasonable and necessary costs incurred by **CONTRACTOR** to effect the termination. Thereafter, **CONTRACTOR** shall have no further claims against **CITY** under this Contract. All finished and unfinished documents and materials procured for or produced under this Contract, including all intellectual property rights **CITY** is entitled to, shall become **CITY** property upon the date of the termination. **CONTRACTOR** agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

B. Termination for Breach of Contract

1. Except as provided in PSC-6, if **CONTRACTOR** fails to perform any of the provisions of this Contract or so fails to make progress as to endanger timely performance of this Contract, **CITY** may give **CONTRACTOR** written notice of the default. **CITY'S** default notice will indicate whether the default may be cured and the time period to cure the default to the sole satisfaction of **CITY**. Additionally, **CITY'S** default notice may offer **CONTRACTOR** an opportunity to provide **CITY** with a plan to cure the default, which shall be submitted to **CITY** within the time period allowed by **CITY**. At **CITY'S** sole discretion, **CITY** may accept or reject **CONTRACTOR'S** plan. If the default cannot be cured or if **CONTRACTOR** fails to cure within the period allowed by **CITY**, then **CITY** may terminate this Contract due to **CONTRACTOR'S** breach of this Contract.
2. If the default under this Contract is due to **CONTRACTOR'S** failure to maintain the insurance required under this Contract, **CONTRACTOR** shall immediately: (1) suspend performance of any services under this Contract for which insurance was required; and (2) notify its employees and Subcontractors of the loss of insurance coverage and Contractor's obligation to suspend performance of

services. **CONTRACTOR** shall not recommence performance until **CONTRACTOR** is fully insured and in compliance with **CITY'S** requirements.

3. If a federal or state proceeding for relief of debtors is undertaken by or against **CONTRACTOR**, or if **CONTRACTOR** makes an assignment for the benefit of creditors, then **CITY** may immediately terminate this Contract.
4. If **CONTRACTOR** engages in any dishonest conduct related to the performance or administration of this Contract or violates **CITY'S** laws, regulations or policies relating to lobbying, then **CITY** may immediately terminate this Contract.
5. Acts of Moral Turpitude
 - a. **CONTRACTOR** shall immediately notify **CITY** if **CONTRACTOR** or any Key Person, as defined below, is charged with, indicted for, convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, any act which constitutes an offense involving moral turpitude under federal, state, or local laws ("Act of Moral Turpitude").
 - b. If **CONTRACTOR** or a Key Person is convicted of, pleads nolo contendere to, or forfeits bail or fails to appear in court for a hearing related to, an Act of Moral Turpitude, **CITY** may immediately terminate this Contract.
 - c. If **CONTRACTOR** or a Key Person is charged with or indicted for an Act of Moral Turpitude, **CITY** may terminate this Contract after providing **CONTRACTOR** an opportunity to present evidence of **CONTRACTOR'S** ability to perform under the terms of this Contract.
 - d. Acts of Moral Turpitude include, but are not limited to: violent felonies as defined by Penal Code Section 667.5, crimes involving weapons, crimes resulting in serious bodily injury or death, serious felonies as defined by Penal Code Section 1192.7, and those crimes referenced in the Penal Code and articulated in California Public Resources Code Section 5164(a)(2); in addition to and including acts of murder, rape, sexual assault, robbery, kidnapping, human trafficking, pimping, voluntary manslaughter, aggravated assault, assault on a peace officer, mayhem, fraud, domestic abuse, elderly abuse, and child abuse, regardless of whether such acts are punishable by felony or misdemeanor conviction.

- e. For the purposes of this provision, a Key Person is a principal, officer, or employee assigned to this Contract, or owner (directly or indirectly, through one or more intermediaries) of ten percent or more of the voting power or equity interests of **CONTRACTOR**.
 6. In the event **CITY** terminates this Contract as provided in this section, **CITY** may procure, upon such terms and in the manner as **CITY** may deem appropriate, services similar in scope and level of effort to those so terminated, and **CONTRACTOR** shall be liable to **CITY** for all of its costs and damages, including, but not limited to, any excess costs for such services.
 7. If, after notice of termination of this Contract under the provisions of this section, it is determined for any reason that **CONTRACTOR** was not in default under the provisions of this section, or that the default was excusable under the terms of this Contract, the rights and obligations of the parties shall be the same as if the notice of termination had been issued pursuant to PSC-9(A) Termination for Convenience.
 8. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract.
- C. In the event that this Contract is terminated, **CONTRACTOR** shall immediately notify all employees and Subcontractors, and shall notify in writing all other parties contracted with under the terms of this Contract within five working days of the termination.

PSC-10. Independent Contractor

CONTRACTOR is an independent contractor and not an agent or employee of **CITY**. **CONTRACTOR** shall not represent or otherwise hold out itself or any of its directors, officers, partners, employees, or agents to be an agent or employee of **CITY**.

PSC-11. Contractor's Personnel

Unless otherwise approved by **CITY**, **CONTRACTOR** shall use its own employees to perform the services described in this Contract. **CITY** has the right to review and approve any personnel who are assigned to work under this Contract. **CONTRACTOR** shall remove personnel from performing work under this Contract if requested to do so by **CITY**.

CONTRACTOR shall not use Subcontractors to assist in performance of this Contract without the prior written approval of **CITY**. If **CITY** permits the use of Subcontractors, **CONTRACTOR** shall remain responsible for performing all aspects of this Contract and paying all Subcontractors. **CITY** has the right to approve **CONTRACTOR'S** Subcontractors, and **CITY** reserves the right to request replacement of any

Subcontractor. **CITY** does not have any obligation to pay **CONTRACTOR'S** Subcontractors, and nothing herein creates any privity of contract between **CITY** and any Subcontractor.

PSC-12. Assignment and Delegation

CONTRACTOR may not, unless it has first obtained the written permission of **CITY**:

- A. Assign or otherwise alienate any of its rights under this Contract, including the right to payment; or
- B. Delegate, subcontract, or otherwise transfer any of its duties under this Contract.

PSC-13. Permits

CONTRACTOR and its directors, officers, partners, agents, employees, and Subcontractors, shall obtain and maintain all licenses, permits, certifications and other documents necessary for **CONTRACTOR'S** performance of this Contract. **CONTRACTOR** shall immediately notify **CITY** of any suspension, termination, lapses, non-renewals, or restrictions of licenses, permits, certificates, or other documents that relate to **CONTRACTOR'S** performance of this Contract.

PSC-14. Claims for Labor and Materials

CONTRACTOR shall promptly pay when due all amounts owed for labor and materials furnished in the performance of this Contract so as to prevent any lien or other claim under any provision of law from arising against any **CITY** property (including reports, documents, and other tangible or intangible matter produced by **CONTRACTOR** hereunder), and shall pay all amounts due under the Unemployment Insurance Act or any other applicable law with respect to labor used to perform under this Contract.

PSC-15. Current Los Angeles City Business Tax Registration Certificate Required

For the duration of this Contract, **CONTRACTOR** shall maintain valid Business Tax Registration Certificate(s) as required by **CITY'S** Business Tax Ordinance, Section 21.00 *et seq.* of the Los Angeles Municipal Code ("LAMC"), and shall not allow the Certificate to lapse or be revoked or suspended.

PSC-16. Retention of Records, Audit and Reports

CONTRACTOR shall maintain all records, including records of financial transactions, pertaining to the performance of this Contract, in their original form or as otherwise approved by **CITY**. These records shall be retained for a period of no less than three years from the later of the following: (1) final payment made by **CITY**, (2) the expiration of this Contract or (3) termination of this Contract. The records will be subject to examination and audit by authorized **CITY** personnel or **CITY'S** representatives at any time. **CONTRACTOR** shall provide any reports requested by **CITY** regarding

performance of this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

In lieu of retaining the records for the term as prescribed in this provision, **CONTRACTOR** may, upon **CITY'S** written approval, submit the required information to **CITY** in an electronic format, e.g. USB flash drive, at the expiration or termination of this Contract.

PSC-17. Bonds

All bonds required by **CITY** shall be filed with the Office of the City Administrative Officer, Risk Management for its review and acceptance in accordance with Los Angeles Administrative Code ("LAAC") Sections 11.47 *et seq.*, as amended from time to time.

PSC-18. Indemnification

Except for the active negligence or willful misconduct of **CITY**, or any of its boards, officers, agents, employees, assigns and successors in interest, **CONTRACTOR** shall defend, indemnify and hold harmless **CITY** and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature whatsoever, for death or injury to any person, including **CONTRACTOR'S** employees and agents, or damage or destruction of any property of either party hereto or of third parties, arising in any manner by reason of an act, error, or omission by **CONTRACTOR**, Subcontractors, or their boards, officers, agents, employees, assigns, and successors in interest. The rights and remedies of **CITY** provided in this section shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-19. Intellectual Property Indemnification

CONTRACTOR, at its own expense, shall defend, indemnify, and hold harmless the **CITY**, and any of its boards, officers, agents, employees, assigns, and successors in interest from and against all lawsuits and causes of action, claims, losses, demands and expenses, including, but not limited to, attorney's fees (both in house and outside counsel) and cost of litigation (including all actual litigation costs incurred by **CITY**, including but not limited to, costs of experts and consultants), damages or liability of any nature arising out of the infringement, actual or alleged, direct or contributory, of any intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity, and proprietary information: (1) on or in any design, medium, matter, article, process, method, application, equipment, device, instrumentation, software, hardware, or firmware used by **CONTRACTOR**, or its Subcontractors, in performing the work under this Contract; or (2) as a result of **CITY'S** actual or intended use of any Work Product (as defined in PSC-21) furnished by **CONTRACTOR**, or its Subcontractors, under this Contract. The rights and remedies of **CITY** provided in this section shall not be exclusive

and are in addition to any other rights and remedies provided by law or under this Contract. This provision will survive expiration or termination of this Contract.

PSC-20. Intellectual Property Warranty

CONTRACTOR represents and warrants that its performance of all obligations under this Contract does not infringe in any way, directly or contributorily, upon any third party's intellectual property rights, including, without limitation, patent, copyright, trademark, trade secret, right of publicity and proprietary information.

PSC-21. Ownership and License

Unless otherwise provided for herein, all finished and unfinished works, tangible or not, created under this Contract including, without limitation, documents, materials, data, reports, manuals, specifications, artwork, drawings, sketches, blueprints, studies, memoranda, computation sheets, computer programs and databases, schematics, photographs, video and audiovisual recordings, sound recordings, marks, logos, graphic designs, notes, websites, domain names, inventions, processes, formulas, matters and combinations thereof, and all forms of intellectual property originated and prepared by **CONTRACTOR** or its Subcontractors under this Contract (each a "Work Product"; collectively "Work Products") shall be and remain the exclusive property of **CITY** for its use in any manner **CITY** deems appropriate. **CONTRACTOR** hereby assigns to **CITY** all goodwill, copyright, trademark, patent, trade secret and all other intellectual property rights worldwide in any Work Products originated and prepared under this Contract. **CONTRACTOR** further agrees to execute any documents necessary for **CITY** to perfect, memorialize, or record **CITY'S** ownership of rights provided herein.

CONTRACTOR agrees that a monetary remedy for breach of this Contract may be inadequate, impracticable, or difficult to prove and that a breach may cause **CITY** irreparable harm. **CITY** may therefore enforce this requirement by seeking injunctive relief and specific performance, without any necessity of showing actual damage or irreparable harm. Seeking injunctive relief or specific performance does not preclude **CITY** from seeking or obtaining any other relief to which **CITY** may be entitled.

For all Work Products delivered to **CITY** that are not originated or prepared by **CONTRACTOR** or its Subcontractors under this Contract, **CONTRACTOR** shall secure a grant, at no cost to **CITY**, for a non-exclusive perpetual license to use such Work Products for any **CITY** purposes.

CONTRACTOR shall not provide or disclose any Work Product to any third party without prior written consent of **CITY**.

Any subcontract entered into by **CONTRACTOR** relating to this Contract shall include this provision to contractually bind its Subcontractors performing work under this Contract such that **CITY'S** ownership and license rights of all Work Products are preserved and protected as intended herein.

PSC-22. Data Protection

- A. **CONTRACTOR** shall protect, using the most secure means and technology that is commercially available, **CITY**-provided data or consumer-provided data acquired in the course and scope of this Contract, including but not limited to customer lists and customer credit card or consumer data, (collectively, the “City Data”). **CONTRACTOR** shall notify **CITY** in writing as soon as reasonably feasible, and in any event within twenty-four hours, of **CONTRACTOR’S** discovery or reasonable belief of any unauthorized access of City Data (a “Data Breach”), or of any incident affecting, or potentially affecting City Data related to cyber security (a “Security Incident”), including, but not limited to, denial of service attack, and system outage, instability or degradation due to computer malware or virus. **CONTRACTOR** shall begin remediation immediately. **CONTRACTOR** shall provide daily updates, or more frequently if required by **CITY**, regarding findings and actions performed by **CONTRACTOR** until the Data Breach or Security Incident has been effectively resolved to **CITY’S** satisfaction. **CONTRACTOR** shall conduct an investigation of the Data Breach or Security Incident and shall share the report of the investigation with **CITY**. At **CITY’S** sole discretion, **CITY** and its authorized agents shall have the right to lead or participate in the investigation. **CONTRACTOR** shall cooperate fully with **CITY**, its agents and law enforcement.
- B. If **CITY** is subject to liability for any Data Breach or Security Incident, then **CONTRACTOR** shall fully indemnify and hold harmless **CITY** and defend against any resulting actions.

PSC-23. Insurance

During the term of this Contract and without limiting **CONTRACTOR’S** obligation to indemnify, hold harmless and defend **CITY**, **CONTRACTOR** shall provide and maintain at its own expense a program of insurance having the coverages and limits not less than the required amounts and types as determined by the Office of the City Administrative Officer of Los Angeles, Risk Management (template Form General 146 in Exhibit 1 hereto). The insurance must: (1) conform to **CITY’S** requirements; (2) comply with the Insurance Contractual Requirements (Form General 133 in Exhibit 1 hereto); and (3) otherwise be in a form acceptable to the Office of the City Administrative Officer, Risk Management. **CONTRACTOR** shall comply with all Insurance Contractual Requirements shown on Exhibit 1 hereto. Exhibit 1 is hereby incorporated by reference and made a part of this Contract.

PSC-24. Best Terms

Throughout the term of this Contract, **CONTRACTOR**, shall offer **CITY** the best terms, prices, and discounts that are offered to any of **CONTRACTOR’S** customers for similar goods and services provided under this Contract.

PSC-25. Warranty and Responsibility of Contractor

CONTRACTOR warrants that the work performed hereunder shall be completed in a manner consistent with professional standards practiced among those firms within **CONTRACTOR'S** profession, doing the same or similar work under the same or similar circumstances.

PSC-26. Mandatory Provisions Pertaining to Non-Discrimination in Employment

Unless otherwise exempt, this Contract is subject to the applicable non-discrimination, equal benefits, equal employment practices, and affirmative action program provisions in LAAC Section 10.8 et seq., as amended from time to time.

- A. **CONTRACTOR** shall comply with the applicable non-discrimination and affirmative action provisions of the laws of the United States of America, the State of California, and **CITY**. In performing this Contract, **CONTRACTOR** shall not discriminate in any of its hiring or employment practices against any employee or applicant for employment because of such person's race, color, religion, national origin, ancestry, sex, sexual orientation, gender, gender identity, age, disability, domestic partner status, marital status or medical condition.
- B. The requirements of Section 10.8.2.1 of the LAAC, the Equal Benefits Ordinance, and the provisions of Section 10.8.2.1(f) are incorporated and made a part of this Contract by reference.
- C. The provisions of Section 10.8.3 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the "Equal Employment Practices" provisions of this Contract.
- D. The provisions of Section 10.8.4 of the LAAC are incorporated and made a part of this Contract by reference and will be known as the "Affirmative Action Program" provisions of this Contract.

Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

PSC-27. Child Support Assignment Orders

CONTRACTOR shall comply with the Child Support Assignment Orders Ordinance, Section 10.10 of the LAAC, as amended from time to time. Pursuant to Section 10.10(b) of the LAAC, **CONTRACTOR** shall fully comply with all applicable State and Federal employment reporting requirements. Failure of **CONTRACTOR** to comply with all applicable reporting requirements or to implement lawfully served Wage and Earnings Assignment or Notices of Assignment, or the failure of any principal owner(s) of **CONTRACTOR** to comply with any Wage and Earnings Assignment or Notices of Assignment applicable to them personally, shall constitute a default by the **CONTRACTOR** under this Contract. Failure of **CONTRACTOR** or principal owner to cure

the default within 90 days of the notice of default will subject this Contract to termination for breach. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

PSC-28. Living Wage Ordinance

CONTRACTOR shall comply with the Living Wage Ordinance, LAAC Section 10.37 *et seq.*, as amended from time to time. **CONTRACTOR** further agrees that it shall comply with federal law proscribing retaliation for union organizing. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

PSC-29. Service Contractor Worker Retention Ordinance

CONTRACTOR shall comply with the Service Contractor Worker Retention Ordinance, LAAC Section 10.36 *et seq.*, as amended from time to time. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

PSC-30. Access and Accommodations

CONTRACTOR represents and certifies that:

- A. **CONTRACTOR** shall comply with the Americans with Disabilities Act, as amended, 42 U.S.C. Section 12101 *et seq.*, the Rehabilitation Act of 1973, as amended, 29 U.S.C. Section 701 *et seq.*, the Fair Housing Act, and its implementing regulations and any subsequent amendments, and California Government Code Section 11135;
- B. **CONTRACTOR** shall not discriminate on the basis of disability or on the basis of a person's relationship to, or association with, a person who has a disability;
- C. **CONTRACTOR** shall provide reasonable accommodation upon request to ensure equal access to **CITY**-funded programs, services and activities;
- D. Construction will be performed in accordance with the Uniform Federal Accessibility Standards (UFAS), 24 C.F.R. Part 40; and
- E. The buildings and facilities used to provide services under this Contract are in compliance with the federal and state standards for accessibility as set forth in the 2010 ADA Standards, California Title 24, Chapter 11, or other applicable federal and state law.

CONTRACTOR understands that **CITY** is relying upon these certifications and representations as a condition to funding this Contract. Any subcontract entered into by **CONTRACTOR** for work to be performed under this Contract must include an identical provision.

PSC-31. Contractor Responsibility Ordinance

The City approved Bond Assistance Program is available for those contractors who are unable to obtain the City-required performance bonds. A City approved insurance program may be available as a low cost alternative for contractors who are unable to obtain City-required insurance.

CONTRACTUAL REQUIREMENTS

CONTRACTOR AGREES THAT:

- 1. Additional Insured/Loss Payee.** The CITY must be included as an Additional Insured in applicable liability policies to cover the CITY'S liability arising out of the acts or omissions of the named insured. The CITY is to be named as an Additional Named Insured and a Loss Payee As Its Interests May Appear in property insurance in which the CITY has an interest, e.g., as a lien holder.
- 2. Notice of Cancellation.** All required insurance will be maintained in full force for the duration of its business with the CITY. By ordinance, all required insurance must provide at least thirty (30) days' prior written notice (ten (10) days for non-payment of premium) directly to the CITY if your insurance company elects to cancel or materially reduce coverage or limits prior to the policy expiration date, for any reason except impairment of an aggregate limit due to prior claims.
- 3. Primary Coverage.** CONTRACTOR will provide coverage that is primary with respect to any insurance or self-insurance of the CITY. The CITY'S program shall be excess of this insurance and non-contributing.
- 4. Modification of Coverage.** The CITY reserves the right at any time during the term of this Contract to change the amounts and types of insurance required hereunder by giving CONTRACTOR ninety (90) days' advance written notice of such change. If such change should result in substantial additional cost to CONTRACTOR, the CITY agrees to negotiate additional compensation proportional to the increased benefit to the CITY.
- 5. Failure to Procure Insurance.** All required insurance must be submitted and approved by the Office of the City Administrative Officer, Risk Management prior to the inception of any operations by CONTRACTOR.

CONTRACTOR'S failure to procure or maintain required insurance or a self-insurance program during the entire term of this Contract shall constitute a material breach of this Contract under which the CITY may immediately suspend or terminate this Contract or, at its discretion, procure or renew such insurance to protect the CITY'S interests and pay any and all premiums in connection therewith and recover all monies so paid from CONTRACTOR.

- 6. Workers' Compensation.** By signing this Contract, CONTRACTOR hereby certifies that it is aware of the provisions of Section 3700 *et seq.*, of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake

self-insurance in accordance with the provisions of that Code, and that it will comply with such provisions at all time during the performance of the work pursuant to this Contract.

7. California Licensee. All insurance must be provided by an insurer admitted to do business in California or written through a California-licensed surplus lines broker or through an insurer otherwise acceptable to the CITY. Non-admitted coverage must contain a **Service of Suit** clause in which the underwriters agree to submit as necessary to the jurisdiction of a California court in the event of a coverage dispute. Service of process for this purpose must be allowed upon an agent in California designated by the insurer or upon the California Insurance Commissioner.

8. Aggregate Limits/Impairment. If any of the required insurance coverages contain annual aggregate limits, CONTRACTOR must give the CITY written notice of any pending claim or lawsuit which will materially diminish the aggregate within thirty (30) days of knowledge of same. You must take appropriate steps to restore the impaired aggregates or provide replacement insurance protection within thirty (30) days of knowledge of same. The CITY has the option to specify the minimum acceptable aggregate limit for each line of coverage required. No substantial reductions in scope of coverage which may affect the CITY'S protection are allowed without the CITY'S prior written consent.

9. Commencement of Work. For purposes of insurance coverage only, this Contract will be deemed to have been executed immediately upon any party hereto taking any steps that can be considered to be in furtherance of or towards performance of this Contract. The requirements in this Section supersede all other sections and provisions of this Contract, including, but not limited to, PSC-3, to the extent that any other section or provision conflicts with or impairs the provisions of this Section.

CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

- I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the "Child Care Declaration Statement" form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the "Declaration Form".

- III. Definition of a Stated Child Care Policy – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”
- A. **EMPLOYER SUBSIDIZED CHILD CARE CENTER(S) –**

 - B. **EMPLOYER SUBSIDIZED CHILD CARE HOME(S)**
Care for up to fourteen (14) children in the home of a licensed caregiver; may include one (1) home or a network of two (2) or more family day care homes, which receive funds, goods and/or services from an employer who thus subsidizes part of all of the home operating costs; employees of the subsidizing employer may enroll dependents in this care home.
 - C. **CHILD CARE REIMBURSEMENT IN ADDITION TO OTHER BENEFITS**
Employer helps employees pay for child care expenses by reimbursing the employee or his/her care provider for all or part of the cost of child care; allows employee to select the child care provider, or employer may designate providers or conditions (e.g. only reimburse licensed providers); such reimbursement is provided to the employee in addition to the other employee benefits.

INSTRUCTIONS:

The questionnaire must be completed, appropriately signed, and submitted with the proposal/bid/submission of qualification (Including All Pages Following).

CITY OF LOS ANGELES

CONTRACTOR RESPONSIBILITY ORDINANCE (Los Angeles Administrative Code Section 10.40 et seq.)

1. What is the Contractor Responsibility Ordinance?

The Contractor Responsibility Ordinance (CRO) requires that each department make a determination as to whether prospective contractors are responsible and capable of fully performing the work before being awarded a City contract. The Ordinance also requires prospective contractors to complete a Responsibility Questionnaire that will be posted on the internet for 14 calendar days for public review.

2. When was the Ordinance adopted?

The City Council adopted the CRO on November 21, 2000. Regulations implementing the Ordinance were adopted on June 19, 2001.

3. Who is responsible for the administration and enforcement of the Ordinance?

Three (3) departments were named as administrative agencies responsible for the administration of the CRO. Each Designated Administrative Agency (DAA) administers the Ordinance for a specific type of agreement. The three DAA's, the type of agreement each DAA is responsible for, and contact information for each DAA is provided in the table below.

Administrative Agency	Agreement Type	Contact Information
Public Works, BCA	Service	Russ Strazella (213) 580-5012
Public Works, BCA	Construction	Russ Struzella (213) 580-5012
General Services	Procurement	Raymond Richards (213) 485-4591

4. Are all service, procurement, and construction agreements subject to the CRO?

Generally, an agreement, including one processed as an Authorization for Expenditure (AFE) with a Letter of Agreement, is covered by the CRO if it meets one of the definitions below.

Service agreements: Agreements covered under the general category of a "service agreement" include:

- An agreement for \$25,000.00 or more and for at least three months in which a contractor will provide services to or for the City.
- An agreement for a lease or license of City property if the service to be performed on the property is something that City employees could perform.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement for the grant of City financial assistance for \$100,000 or more if the agreement is for the purpose of economic development or job growth. City financial assistance may also include loans if certain conditions are met. (Refer to Sec. 10.40.0(b) of the CRO.)

Purchase agreements: Purchase agreements are covered if they are for One Hundred Thousand Dollars (\$100,000.00) or more. Agreements to purchase garments are covered if they are for Twenty-Five Thousand Dollars (\$25,000.00) or more.

Construction agreements: All construction agreements are covered, regardless of amount or term.

5. When did the Ordinance become applicable?

The Ordinance is being applied to Invitations for Bids (IFB) (including Requests for Proposals, Requests for Bids and Requests for Qualifications, "sole-sourced" contracts, and any other procurement process) released to the public **on or after September 4, 2001**. An agreement entered into as a result of an IFB released prior to that date is not subject to the CRO unless it is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above.

6. If an IFB is subject to the CRO, what must a department do?

The department must inform prospective bidders/proposers that the CRO is applicable to the IFB. The department must also include the appropriate Responsibility Questionnaire for bidders/proposers to fill out. Depending on the type of contract to be awarded, one of three Questionnaires may be included in the IFB: Service; Procurement; and Construction.

7. What is a Responsibility Questionnaire?

The Responsibility Questionnaire asks for information about the bidder/proposer: business organization or structure; financial resources and responsibility; performance history; prior disputes; and history in complying with laws. Before a department awards a contract, the department will consider information contained in the Questionnaire as part of the review of a bidder/proposer's responsibility, as well as any information contained in the Office of Contract Compliance's Contractor Evaluation database [<http://caodocs.ci.la.ca.us/ContEval/>] regarding the proposer's prior performance on City contracts.

8. What must a bidder/proposer do when responding to an IFB?

If the IFB is subject to the CRO, the bidder/proposer must complete the Responsibility Questionnaire and return it to the City department with the proposal/bid/submission of qualification. If a bidder/proposer does not submit a completed Questionnaire with the proposal/bid/submission of qualification, the City department may consider the bidder/proposer to be non-responsive to the IFB and may disqualify the bidder/proposer from the rest of the IFB process.

9. Is a separate Questionnaire required for each IFB?

Unless the IFB is exempt, a separate Questionnaire must be submitted for each IFB to which a bidder/proposer responds.

10. What will the City do with the Questionnaire?

The department responsible for awarding the agreement will review the information contained in the submitted questionnaires, and if necessary, follow up with the bidder/proposer to clarify any information contained in the Questionnaire. The awarding authority will send the completed Questionnaires to the appropriate DAA. The DAA will post the Questionnaires on the City's Bidder/Contractor Responsibility website: www.lacity.org/bidresp. This posting also applies to "sole-sourced" contracts, so the completed Questionnaire from a proposed "sole-sourced" contractor must be forwarded to the appropriate DAA for posting.

How long will the Questionnaires be posted?

The Questionnaires will be posted on the internet for fourteen (14) calendar days. Unless an exemption applies, a department cannot award an agreement until the posting requirement has been met.

11. What happens during the fourteen (14) calendar-day posting period?

The general public will be able to review the Questionnaires posted. If, during the fourteen (14) calendar-day posting period, the DAA receives information that calls into question a bidder/proposer's responsibility, the DAA will investigate the matter. In that case, no agreement may be awarded until the DAA finishes its investigation. Information obtained during the investigation will be provided to the department to consider in its determination of a bidder/proposer's responsibility.

12. How does a department know that the posting requirement has been met?

The awarding department should complete the top portion of the Posting Verification Form and forward it to the DAA along with the Questionnaires. The DAA will complete the bottom portion of the Posting Verification Form and return it to the department when the posting requirement has been met.

13. Are contract amendments subject to the CRO?

If an agreement is amended after September 4, 2001, and the amended agreement meets the definitions stated in the answer to Question #4 above, it is subject to the CRO. Contractors do not have to submit a Questionnaire; however, the CRO Contract Language must be incorporated into the amended agreement.

14. After the agreement is awarded, or the agreement is amended, what does the CRO require the contractor to do?

The CRO requires a contractor to:

- Comply with all federal, state, and local laws in the performance of the contract, including but not limited to laws regarding health and safety, labor and employment, wage and hours, and licensing laws, which affect employees.
- Notify the awarding authority within 30 calendar days after receiving notice that any governmental agency has started an investigation into violations of, or has found that the contractor has violated, any federal, state, or local law in the performance of the contract.
- When applicable, provide the awarding authority, within thirty (30) calendar days, updated responses to the Questionnaire if a change occurs that would affect the contractor's responsibility and ability to continue the agreement.
- Ensure that subcontractors working on the City agreement comply with all federal, state, and local laws in the performance of the agreement.
- Ensure that subcontractors working on the City agreement submit a Pledge of Compliance to comply with the CRO.

15. What happens if a contractor is found to be in violation of the Ordinance?

The DAA will notify the contractor that a violation has been found and give the contractor ten (10) calendar days to correct the violation. If the contractor fails to do so, the City may terminate the agreement and pursue all available contractual remedies. The City may also hold a non-responsibility hearing and debar the contractor from doing business with the City for five (5) years.

What about subcontractors?

Subcontractors are subject to the CRO, and the contractor must ensure that each of its subcontractors complies with the CRO. Subcontractors do not need to complete a Questionnaire, but they must submit to the awarding department a Pledge of Compliance with the Ordinance before they can start work on a City agreement.

16. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for ensuring that all its subcontractors comply with the CRO, the sanctions listed in the answer to Question #16 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

17. Are there any exemptions under the Ordinance?

Generally, two (2) categories of exemptions exist under the CRO:

(1) Agreements exempt from all the CRO requirements:

- Contracts with a governmental entity such as the United States of America, the State of California, a county, city or public agency of such entities, or a public or quasi-public corporation located therein and declared by law to have such status.
- Contracts for the investment of trust moneys or agreements relating to the management of trust assets.
- Banking contracts entered into by the Treasurer pursuant to California Government Code Section 53630 et seq.

(2) Agreements that are only exempt from the requirement that a bidder/proposer submit a Questionnaire. The contractor must still comply with all other CRO provisions.

- Agreements awarded on the basis of emergency circumstances when the awarding authority finds that the City would suffer a financial loss or that City operations would be adversely impacted. This exemption is subject to approval by the DAA.
- Agreements for goods or services that are proprietary or available from only one source. This exemption is subject to approval by the DAA.
- Agreements awarded under the authority of Charter Sections 371(e)(5), (6), (7) or (8). The awarding authority must certify in writing that the contract is entered into in compliance with the requirements of those Charter sections.

18. Where can I obtain a copy of the Contractor Responsibility Ordinance and the Rules and Regulations?

All CRO-related information and documents can be found on the CRO website: <http://www.lacity.org/bidresp>.

CITY OF LOS ANGELES

LIVING WAGE ORDINANCE

(Los Angeles Administrative Code Section 10.37 et seq.)

1. What is the Living Wage Ordinance?

The Living Wage Ordinance (LWO) requires employers who have agreements with the City to pay their employees at least a minimum “living wage” and to provide certain benefits. If the agreement is subject to the LWO, the employer must do the following:

- Pay employees working on the subject agreement a wage rate that is at least equal to the “living wage” rate. The “living wage” is adjusted annually and becomes effective July 1 of each year. Employers can obtain information about the living wage rate currently in effect by going to Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance (OCC) website at www.lacity.org/bca/OCCmain.html.
- Provide employees with at least twelve (12) paid days off per year for sick leave, vacation, or personal necessity; and at least ten (10) unpaid sick days off per year.
- Tell employees who make less than Twelve Dollars (\$12.00) per hour that they may qualify for the federal Earned Income Tax Credit and provide them with the forms required to apply for the credit.
- Cooperate with the City by providing access to the work site and to payroll and related documents so that the City can determine if the employer is complying with the LWO.
- Pledge to comply with federal laws prohibiting an employer from retaliating against employees for union organizing.
- Not retaliate against any employee who makes claims about non-compliance with the LWO.

2. When was the Ordinance adopted?

The LWO was adopted in May, 1997 and amended in January, 1999.

3. What types of agreements are subject to the Ordinance?

Generally, the LWO covers the following types of agreements:

- An agreement in an amount over Twenty-Five Thousand Dollars (\$25,000.00) and for at least three (3) months in which an employer will provide services to or for the City.
- An agreement for the lease or license of City property if the service being performed on the property is something that City employees would otherwise do.
- An agreement for the lease or license of City property that is in a location where a substantial number of the general public might visit.
- An agreement in which the City gives financial assistance for the purpose of promoting economic development or job growth.
- An agreement in which the City determines that applying the LWO would be in the best interest of the City.

4. Is an agreement subject to the LWO if it was entered into before May, 1997?

Agreements executed after May, 1997 are subject to the LWO. An agreement entered into before May 1997 may become subject to LWO if it is later amended or modified in order to add time or money to the original agreement.

5. Are there any requirements that would apply to an employer who does not have an agreement with City that is subject to the LWO?

All employers are required to comply with the LWO's prohibition against retaliation, even if the employer does not have an agreement with the City that is subject to the Ordinance.

6. Are all employees covered by the Ordinance?

Intentionally left blank 8/18/06

7. Are an employer's subcontractors subject to the requirements of the Ordinance?

A subcontractor may be covered by the Ordinance if the subcontractor performs work on the subject agreement. If so, the subcontractor must also comply with the requirements of the LWO, including all reporting requirements. The prime contractor is responsible for making sure that the subcontractor complies with the LWO.

8. What happens if an employer is found to be in violation of the Ordinance?

Payments due may be withheld. Also, the employer may be deemed to be in material breach of the agreement. When that happens, the City may take the following steps:

- Terminate the agreement and pursue all available contractual remedies.
- Debar the employer from doing business with the City for three (3) years or until all penalties and restitution have been fully paid, whichever occurs last.
- Bring a lawsuit against the employer for all unpaid wages and health benefit premiums and/or seek a fine of up to One Hundred Dollars (\$100.00) for each day the violation remains uncorrected.

9. What if a subcontractor is found to be in violation of the Ordinance?

Because the prime contractor is responsible for making sure that all its subcontractors comply with the LWO, the sanctions listed in answer #8 may be applied to the prime contractor if the subcontractor does not correct the violation(s).

10. What can an employee do if an employer is in violation of the Ordinance?

The employee can submit a complaint to the Office Contract Compliance which will investigate the complaint. Also, the employee can bring his or her own lawsuit against the employer for:

- Back pay for failing to pay the correct wages or correct health benefit premiums.
- Reinstatement and back pay for retaliation.
- Triple the amount of the back pay that is owed if the violation was found by the court to be willful.

11. Are there any exemptions available under the Ordinance?

An employer may apply for an exemption based on the following categories:

- Service agreements that are less than three (3) months or Twenty-Five Thousand Dollars (\$25,000.00) or less.
- Agreements for the purchase of goods, property, or the leasing of property (with City as the lessee).
- Construction contracts that do not meet the definition of a service agreement.
- Employees who are required to have an occupational license in order to provide services to or for the City are exempt.
- Employers who are party to a collective bargaining agreement (CBA) that has language stating that the CBA shall supersede the LWO.
- Financial assistance recipients who meet the requirements stated in Section 10.37.1(c) of the LWO.
- Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code, Section 501(c)(3) whose chief executive officer's hourly wage rate is less than eight times the hourly wage rate of the lowest paid worker are be exempt. However, this exemption does not apply to child care workers.
- Lessees or licensees who have no more than a total of seven employees and who have annual gross revenue of less than Four Hundred Fifty-Four Thousand Sixteen Dollars (\$454,016.00) (effective July 1, 2009). The qualifying annual gross revenue is adjusted every July.
- One-person contractors, lessees, licensees or financial assistance recipients who employ no workers.
- Agreements that involve other governmental entities.

12. Who is responsible for the administration and enforcement of the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway Street, Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance website at <http://bca.lacity.org>.

2. Exemptions that do not require OCC approval but require a Contractor Certification of Exemption.
3. Exemptions that require submission of an Application for Exemption and OCC approval of the Application.

1. **The following exemptions do not require OCC approval or any Contractor Certification:** Departments only need to indicate the exemption in the appropriate category on the LWO Departmental Determination of Coverage Form.

- a. **Less than three (3) months OR less than Twenty-Five Thousand Dollars (\$25,000.00) (LAAC 10.37.1(j)).** Service contracts or Authority for Expenditures that do not meet these thresholds are not covered by the LWO.
- b. **Other governmental entities (LAAC 10.37.1(g)).** Agreements with other governmental entities such as Los Angeles County, the State of California, or the University of California, are not covered by the LWO. Subcontractors to these entities are also not covered by the LWO.
- c. **Purchase of goods, property, or the leasing of property, with the City as lessee (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO unless they include a service component that is more than just incidental (regular and recurring services is required). Examples of such categorically exempt contracts include contracts to purchase office supplies or to lease space to be occupied by City departments.
- d. **Construction contracts, not conforming to the definition of a service contract (LAAC 10.37.1(j)).** Such contracts are categorically exempt from the LWO. Examples include construction of buildings and infrastructure.
- e. **City financial assistance not meeting thresholds (LAAC 10.37.1(c)).** Agreements to provide a contractor with City financial assistance (which typically mean grants or loans provided at interest rates that are lower than the Applicable Federal Rate) are categorically exempt from the LWO if they meet both of the following:
 - (1) The assistance given in a twelve (12) month period is below One Million Dollars (\$1,000,000.00) AND less than One Hundred Thousand Dollars (\$100,000.00) per year.
 - (2) The assistance is not for economic development or job growth.
- f. **Business Improvement Districts (BID) (LWO Regulation #11).** Service agreements are categorically exempt from the LWO if the services are funded with the BID's assessment money collected by the City after the formation of the BID. Service contracts in which City money is used to hire firms to help in forming the BID remain subject to the LWO unless the contractor otherwise qualifies for an exemption.

2. **The following exemption categories do not require OCC approval, but the contractor must still submit a Contractor Certification of Exemption from Living Wage (OCC/LW-13).** No OCC approval is required for the exemption to be valid. However, the department must include the Contractor Certification of Exemption with the contract.

- a. **501(c)(3) Non-profit organizations (LAAC 10.37.1(g)):** Employers (contractors, subcontractors, financial assistance recipients) organized under IRS Code Section 501(c)(3) are exempt from the LWO if the hourly wage rate of the corporation's highest paid employee is less than eight times the hourly wage rate of the corporation's lowest paid worker. However, the exemption does not extend to Child Care Workers as defined in the LWO Rules and Regulations (an employee "whose work on an agreement involves the care or supervision of children twelve (12) years of age and under."). A copy of the IRS 501(c)(3) Exemption Letter will be required.
- b. **One-person contractors with no employees (LAAC 10.37.1(f)):** Contractors, lessees, licensees or financial assistance recipients who employ no workers are exempt from the LWO.

3. **The following exemption categories require submission of an application for exemption and OCC approval**

of the application to be valid.

- a. Collective bargaining agreements (CBA) that supersede the LWO (LAAC 10.37.12):** Contractors whose employees are covered by a CBA that supersedes the requirements of the LWO are not subject to the LWO. A copy of the CBA with the superseding language or a letter from the union indicating that the union has agreed to allow the CBA to supersede the LWO will be required to be submitted. Example: Labor agreement between parking contractor and a labor union with language that wages and benefits in the CBA shall supersede the LWO. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a copy of the CBA or a letter from the union.
- b. Occupational license (LAAC 10.37.1(f)):** Employees required to possess an occupational license in order to provide the services under the City agreement are not subject to the LWO. However, only the individual employees who are required to possess an occupational license are exempt. Employees who work on the City contract and are not required to possess an occupational license remain subject to the LWO. Example: Under California Labor Code Sections 7375 – 7380, a person must be licensed by the State of California in order to inspect and certify cranes and derricks used in lifting services. Contractors must use the LWO Application for Non-Coverage or Exemption form (Form OCC/LW-10) and submit a listing of the employees who possess occupational licenses and a copy of the licenses.
- c. Small business exemptions for Public Lessees/Licensees (LAAC 10.37.1(i)):** Small business that lease property from the City may apply for OCC approval for LWO exemption if the lessee or licensee:
(1) employs no more than a total of seven (7) employees; and (2) has annual gross revenues of less than Four Hundred Fifty-Four Thousand Sixteen Dollars (\$454,016.00) (adjusted July 1, 2009). This applies only to lessees with lease agreements executed after February 24, 2001, and to amendments executed after February 24, 2001 that add monies or extend term. Use the Application for “Small Business” Exemption (Form OCC/LW-20) and submit the application with the documents requested on that form.
- d. City financial assistance agreements that exceed the LWO monetary thresholds may apply for one of the exemptions below.** Applicants and departments should refer to Regulation #3(c) for the requirements and the documents that must be submitted with the LWO Application for Non-Coverage or Exemption (OCC/LWO-10).
- (1) The City financial assistance recipient (CFAR) is in its first year of operation (LAAC 10.37.1(c)).
 - (2) The CFAR employs fewer than five employees (LAAC 10.37.1(c)).
 - (3) The CFAR would face undue hardship because it employs the long-term unemployed or provides trainee positions to prepare employees for permanent positions (LAAC 10.37.1(c)). REQUIRES COUNCIL APPROVAL.

CITY OF LOS ANGELES
SERVICE CONTRACTOR WORKER RETENTION
ORDINANCE
(Los Angeles Administrative Code Section 10.36 et seq.)

1. What is the Service Contractor Worker Retention Ordinance?

The Service Contractor Worker Retention Ordinance (SCWRO), effective May, 1996, requires a successor contractor and its subcontractors to retain for a 90-day period certain employees who worked for the terminated contractor or its subcontractors for at least twelve (12) months. (See also Question #7 regarding which employees are covered.)

2. What is a successor contractor?

A successor contractor is one who has been awarded an agreement to provide services to or for the City that are similar to those that were provided under a recently terminated agreement.

3. What types of agreements are covered by the Ordinance?

The SCWRO covers the following types of agreements:

- For services in an amount over Twenty-Five Thousand Dollars (\$25,000.00) and for at least three (3) months.
- In which the primary purpose is to provide services to or for the City (including leases and licenses).
- In which the City provides financial assistance for the purpose of promoting economic development or job growth.

4. What does the Ordinance require a terminated contractor to do?

The SCWRO requires the terminated contractor to provide the awarding authority with the names, addresses, dates of hire, hourly wage, and job classes of each employee who worked on the City agreement for that terminated contractor or its subcontractor. The awarding authority will provide the information to the successor contractor.

5. What does the Ordinance require a successor contractor to do?

The Ordinance requires the successor contractor to:

- Offer employment and retain for a ninety (90)-day period the employees who worked for at least twelve (12) months for the terminated contractor or its subcontractors.
- Not discharge the employees retained under the SCWRO without cause during the ninety (90)- day period.
- Perform a written performance evaluation of each employee retained under the SCWRO at the end of the ninety (90)-day period.

6. Do the employees retained under the Ordinance receive any additional protection?

Employees retained under the SCWRO are employed under the terms and conditions of the successor contractor or as required by law. However, if the agreement the employees are working under is subject to Living Wage Ordinance (LWO), the employees must be paid the wage rate and be provided the benefits required by LWO.

7. Does the successor contractor have to retain all the prior contractor's employees?

The SCWRO covers only employees who meet all of the following requirements:

- Earn less than Fifteen Dollars (\$15.00) per hour.
- Primary job is in the City working on or under the City agreement.
- Worked for the terminated contractor or its subcontractor for the preceding twelve (12) months or longer.
- Not a managerial, supervisory, or confidential employee; or an employee required to possess an occupational license.

8. What if the successor contractor determines that fewer employees are required to provide the services than were required by the prior contractor?

The names of the affected employees will be placed in order by seniority within each job classification. The successor contractor is required to retain employees based on seniority. The names of employees not retained will be placed on a preferential hiring list from which the successor contractor must use for subsequent hires.

9. What happens if an employee is discharged in violation of the Ordinance?

The employee may bring a lawsuit against the successor contractor. The employee can also submit a complaint to the Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance which will investigate the complaint.

10. What if a contractor is found to be in violation of the Ordinance?

The City may terminate the agreement or pursue other legal remedies.

11. Who is responsible for administering and enforcing the Ordinance?

The Department of Public Works, Bureau of Contract Administration, Office of Contract Compliance, located at 1149 S. Broadway St., Suite 300, Los Angeles, CA 90015. For additional information, please call (213) 847-2625, or go to the Office of Contract Compliance web site at <http://bca.lacity.org>.

C. **BIP OUTREACH DOCUMENTATION**

It is the policy of the City of Los Angeles to provide Minority Business Enterprises (MBEs), Women Business Enterprises (WBEs), Small Business Enterprises (SBEs), Emerging Business Enterprises (EBEs), Disabled Veteran Business Enterprises (DVBEs), and all Other Business Enterprises (OBEs) an equal opportunity to participate in the performance of City contracts. In order to maximize this participation while minimizing the administrative impact on City staff and RFB respondents alike, the Mayor's Office has developed a BIP. The BIP requires City departments to set anticipated participation levels based on the opportunities presented in their advertised contracts and Department's achievement of its annual goals. A respondent's BIP Outreach to MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs shall be determined by their compliance with the following BIP Outreach process which will be performed on the City's Business Assistance Virtual Network (BAVN). The BAVN can be accessed by going to the City's Webpage (www.lacity.org) and linking onto "Bids, RFPs & Grants" or directly at www.labavn.org. Failure to meet the anticipated MBE, WBE, SBE, EBE, and/or DVBE participation levels will not by itself be the basis for disqualification or determination of non-compliance with this policy. **However, failure to comply with the BIP Outreach documentation requirements as described in this section will render the RFB response non-responsive and will result in its rejection.** *Compliance with the BIP Outreach requirements is required even if the proposer has achieved the anticipated MBE, WBE, SBE, EBE, and DVBE participation levels.* Adequacy of a respondent's BIP Outreach will be determined by the Board after consideration of the indicators of BIP Outreach as set forth below.

Any technical difficulties while utilizing the BAVN should be reported immediately using the following steps:

1. Email BAVN Support at ITA.BAVN@lacity.org.
2. Email Bureau of Contract Administration, Subcontractor Outreach and Enforcement Section (SOE) at bca.biphelp@lacity.org.
3. If you are not contacted within fifteen (15) minutes during normal City working hours (7:00 a.m. to 4:30 p.m. Monday-Friday), call (213) 847-2605 and ask for an SOE Analyst to assist you.

If the above procedures are not followed as stipulated, incomplete outreach and/or incomplete documentation may not be accepted.

Each indicator (2-7) is evaluated on a pass/fail basis. All indicators (2-7) must be passed to be deemed responsive. Only BIP Outreach documentation submitted under the respondent's name will be evaluated. Therefore submission by a third party will result in the respondent being deemed non-responsive.

1	LEVEL OF ANTICIPATED MBE, WBE, SBE, EBE, and DVBE PARTICIPATION
---	--

The respondent has performed a BIP Outreach in an attempt to obtain potential subconsultant participation by MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs which could be expected by the Board to produce a reasonable level of participation by interested business enterprises, including the MBE, WBE, SBE, EBE, and DVBE anticipated percentages set forth on Page 1 herein and to have the respondent meet the subconsulting expectations for the project.

2	ATTENDED PRE-SUBMITTAL MEETING
---	---------------------------------------

The respondent attended the pre-submittal meeting scheduled by the Project Manager to inform all respondents of the requirements for the project for which the contract will be awarded. This requirement may be waived if the respondent certifies it is informed as to those project requirements and has participated in a City-sponsored or City-approved matchmaking event in the prior twelve (12) months.

Required Documentation: An employee of the respondent's company must attend the pre-submittal meeting scheduled for this project. Credit may not be given if the employee arrives late or fails to sign the pre-submittal meeting attendance roster. This requirement will be waived if the respondent both certifies in writing that it is informed as to the BIP Outreach requirements for the project and has participated in a City-sponsored or City-approved matchmaking event in the prior twelve (12) months as is evidenced by the event attendance documents.

Note: If the RFB states that the pre-submittal meeting is mandatory, then attendance at the pre-submittal meeting is the only way to pass this indicator.

3	SUFFICIENT WORK IDENTIFIED FOR SUBCONSULTANTS
---	--

The respondent has identified the minimum number, as determined by the Department, of specific items of work that will be performed by subconsultants. This will ensure an opportunity for subconsultant participation among MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs.

Required Documentation: Outreach via e-mail in the selected potential work items. This outreach must be performed using the BAVN's BIP Outreach system. The outreach must be to potential MBE, WBE, SBE, EBE,

DVBE, and OBE subconsultants who are currently registered on the BAVN. Failure of the respondent to outreach in all of the potential work items selected by the City as potential subconsulting work items may result in the RFB response being deemed non-responsive.

Note: City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline.

4	WRITTEN NOTICES TO SUBCONSULTANTS
---	--

All notifications must be provided utilizing BAVN, and made not less than **fifteen (15) calendar days** prior to the date the RFB responses are required to be submitted. In all instances, respondents must document that invitations for subconsulting bids were sent to available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each item of work to be performed.

Required Documentation: E-mail notification in each of the selected potential work items to potentially available MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs for each anticipated work item to be performed. The notification must be performed using the BAVN’s BIP Outreach system. The notification must be to potential subconsultants currently registered on the BAVN. If the respondent is aware of a potential subconsultant that is not currently registered on the BAVN, it is the respondent’s responsibility to encourage the potential subconsultant to become registered so that the respondent can include them as part of their outreach. Notifications must contain areas of work anticipated to be subconsulted, City of Los Angeles project name, name of the respondent, and contact person’s name, address, and telephone number. Respondents are required to send notifications to a sufficient number of firms comprised of MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in each potential work item chosen, as determined by the City. What is considered sufficient will be determined by the total number of potential subconsultants in each specific work item.

The City will determine each work area by the North American Industry Classification System (NAICS) code. The following table shows the sufficient number of MBE, WBE, SBE, EBE, DVBE, and OBE subconsultants that need to be notified for each work area.

# of Subconsultants in NAICS Code	% Prime Must Notify	Number Prime Must Notify
1 – 10	100%	1-10
11 – 20	80%	9-16
21 – 50	60%	13-30
51 – 100	40%	21-40
101 – 200	25%	26-50
> 200	10%	20+

A respondent’s failure to utilize this notification function will result in their RFB response being deemed non-responsive.

Note: Respondents will not be able to utilize the BAVN’s BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFB response submittal deadline. In utilizing the BAVN’s notification function, respondents will receive a message if they have failed to outreach to a sufficient number of firms when they go to view their summary sheet. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording is perceived to seriously limit potential subconsultant responses. City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline. Respondents are encouraged to print their BIP Outreach summary sheet prior to logging out as documented proof of their progress.

The respondent provided interested potential subconsultants with information about the availability of project scope, services requested, and other requirements for the anticipated subconsulting work.

Required Documentation: Include in Indicator 4, information detailing how, where and when the respondent will make the required information available to interested potential subconsultants. The notification must be performed using the BAVN's BIP Outreach system.

Note: For purposes of RFBs, making a copy of the RFB available to potential subconsultants will meet this requirement. At the time a respondent utilizes the BAVN's BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN's Outreach notification function if there are less than fifteen (15) calendar days prior to the RFB response submittal deadline. City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline.

The respondent has responded to every unsolicited offer sent by a registered subconsultant using BAVN and has evaluated in good faith bids or proposal/bid/submission of qualification submitted by interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs. Respondents must not unjustifiably reject as unsatisfactory a proposal/bid/submission of qualification offered by a registered subconsultant, as determined by the Board. The respondent must submit a list of all subconsultants for each item of work, including dollar amounts of proposals/bids/submissions of qualifications received. This list must include an explanation of the evaluation that lead to the proposal/bid/submission of qualification being rejected and the explanation must have been communicated to the subconsultant using BAVN.

Required Documentation:

- a) Schedule A List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants;
- b) An online Summary Sheet organized by work area, listing the following:
 - 1) the responses and/or bids received;
 - 2) the name of the subconsultant who submitted the bid/quote;
 - 3) a brief reason given for selection/non-selection as a subconsultant;
- c) Copies of all potential MBE/WBE/SBE/EBE/DVBE/OBE bids or quotes received must be submitted prior to award of a contract by the City;

The reasons for selection/non-selection should be included in the notes section of the online Summary Sheet. If the respondent elects to perform a listed work area with its own forces, they must include a bid/quote for comparison purposes and an explanation must be provided and included on the summary sheet. **All bids/quotes received, regardless of whether or not the respondent outreached to the subconsultant, must be submitted and included on the online Summary Sheet.** To that extent, the City expects the respondent to submit a bid from each subconsultant listed on the online Summary Sheet, including those listed on the respondent's Schedule A. **All potential subconsultants with whom the respondent has had contact outside of the BAVN must be documented on the online Summary Sheet.**

The Summary Sheet must be performed using the BAVN's BIP Outreach system and must be submitted by 4:30 p.m. on the first calendar day following the day of the RFB response submittal deadline.

If a bid/quote is submitted by a firm that is not registered with the BAVN, the respondent is required to add that firm to their Summary Sheet. A respondent's failure to utilize the BAVN's Summary Sheet function will result in their RFB response being deemed non-responsive.

Note: For the purposes of this RFB only, letters of intent acknowledging a potential subconsultant's interest in being contacted for work and/or hourly rates for their type of work will be considered the "bids or quotes received." Staff will request copies of all of the bids/quotes received as part of the BIP Outreach evaluation process. Respondents must have a bid/quote from each potential subconsultant listed on their Schedule A prior to submission of the Schedule A. The submission of the Schedule A is outlined in G herein. Respondents are encouraged to submit all of their bids/quotes with their RFB response submittal. Respondents will not be able to edit their Summary Sheet on the BAVN's BIP Outreach Summary Sheet function after 4:30 p.m. on the first calendar day following the day of the RFB response submittal deadline. City staff will access the BAVN and verify compliance with the summary sheet provision of this indicator after the RFB submission deadline. Respondents are required to have each of the subconsultants on their Schedule A registered on the BAVN prior to being awarded the contract.

7	BOND, LINES OF CREDIT, AND INSURANCE ASSISTANCE
---	--

Each notification by the respondent shall also include an offer of assistance to interested potential MBEs, WBEs, SBEs, EBEs, DVBEs, and OBEs in obtaining bonds, lines of credit, or insurance required by the Awarding Authority or proposer.

Required Documentation: Include in Indicator 4, information about the respondent's efforts to assist with bonds, lines of credit and insurance. The notification must be performed using the BAVN's BIP Outreach system.

Note: At the time a respondent utilizes the BAVN's BIP Outreach notification function, the required information will automatically be included in the notification. Respondents will not be able to utilize the BAVN's BIP Outreach notification function if there are less than fifteen (15) calendar days prior to the RFB response submittal deadline. Respondents will be given an opportunity to include their own customized statements when utilizing the notification function. However, the City will take into consideration the wording and may deem a respondent non-responsive if the wording seriously limits potential subconsultant responses or is deemed contrary to the intent of this indicator. City staff will access the BAVN and verify compliance with this indicator after the RFB submission deadline.

The respondent shall submit completed BIP Outreach documentation either via the BAVN's BIP Outreach system or prior to award, as specified for each indicator. The Board in its review of the BIP Outreach documentation may request additional information to validate and/or clarify that the BIP Outreach submission was adequate. Any additional information submitted after the response due date and time will be treated at a higher level of scrutiny and may require third party documentation in order to substantiate its authenticity. Such information shall be submitted promptly upon request by the Board.

D. AWARD OF CONTRACT

The Board reserves the right to reject any and all RFB responses. The award of a contract will be to the responsive, responsible Respondent whose submittal complies with all requirements prescribed herein. This includes compliance with the required BIP Outreach. A positive and adequate demonstration to the satisfaction of the Board that a BIP Outreach to include potential MBE/WBE/SBE/EBE/DVBE/OBE subconsultants' participation was made is a condition for eligibility for award of the contract.

In the event that the Board considers awarding away from a respondent because of the respondent's failure to supply adequate BIP Outreach documentation, the Board shall afford the respondent an opportunity to present further evidence to the Board prior to a public hearing of the respondent's BIP Outreach evaluation.

E. SUBCONSULTANT SUBSTITUTION

In addition to the requirements set forth in the provisions pertaining to the listing of potential subconsultants, the following shall apply for the purpose of this Program:

1. Substitution During Contract Duration: The contract award requires that the level of all subconsultant participation shall be maintained throughout the duration of the contract. To this extent, any unapproved reduction in the listed subcontract amount will be considered an unauthorized substitution.
 - a. The Consultant shall request approval of the Board for all substitutions of bid-listed (Schedule B) subconsultants.
 - b. The request shall be in writing and submitted to the designated Project Manager for the Board. The request shall give the reason for the substitution, the name of the subconsultant and the name of the replacement.
2. MBE/WBE/SBE/EBE/DVBE/OBE Subconsultant Substitution: The Board requires that whenever the Consultant seeks to substitute a bid-listed (Schedule B) subconsultant, the Consultant must make a BIP Outreach to replace the subconsultant.
 - a. The Consultant shall contact some of each of the following: certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects from each trade (see Schedule A) for which sub-bid/subconsulting work is available and document the following for submittal:
 1. Name of company contacted; contact person and telephone number; date and time of contact.
 2. Response for each item of work which was solicited, including dollar amounts.
 3. Reason for selection or rejection of sub-bid prospect.
 4. In the event that the Consultant is unable to find some certified MBE, certified WBE, certified SBE, certified EBE, certified DVBE, and OBE sub-bid prospects, (first from their Schedule A, then from other outreach methods) for each trade, the Consultant should contact the Office of Contract Compliance by e-mail at bca.biphelp@lacity.org for assistance prior to certifying under penalty of perjury that it was unable to fully meet this requirement.
 - b. The Consultant shall submit all documentation to the Department's Project Manager who may refer it to the Office of Contract Compliance for review and approval.
3. In the event that a subcontract is reduced due to a project change that will not be specified in a change order, the Consultant shall request approval for reducing the subcontract by documenting the following for submittal:

- a. The name of the company for which the subcontract reduction is requested and the dollar amount of the reduction.
- b. The reason for the reduction. Specific details should be given in order for the Consultant's request to be processed promptly.
- c. The Consultant shall submit all documentation to the Department's Project Manager who may refer it to the Office of Contract Compliance for review and approval.

F. SUB-AGREEMENT FALSIFICATION

Falsification or misrepresentation of a sub-agreement as to company name, contract amount and/or actual work to be done by the sub-bidder/subconsultant will result in sanctions set forth in provisions pertaining to listing of subconsultants.

G. SUBMITTAL DOCUMENTS

1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)

Respondents shall submit with their RFB response the List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants, provided herein as Schedule A. The respondent shall list the name, address, telephone, contact person and a description of work or supplies to be provided by each of the firms which may be utilized to perform portions of work in a specific task. This list is considered the respondent's list of prequalified subconsultants which will be utilized when preparing a proposal/bid/submission of qualification for a specific project or task work order. For this reason, it is expected that the respondent will list multiple potential subconsultants for each specific area of work. Respondents are expected to only use the firms listed on the Schedule A when preparing a proposal/bid/submission of qualification for a specific project or task work order. In the event that the respondent has either a desire to update their Schedule A or a need to solicit subconsultants that are not on the Schedule A, the respondent will be expected to perform an outreach which, at a minimum, conforms to the requirements set forth under "E. Subconsultant Substitutions" of this document.

2. Task Work Order List of Subconsultants (Schedule B)

At the time a specific task work order is assigned to the consultant, the consultant must submit the Task Work Order List of Subconsultants (Schedule B). The Schedule B is required prior to commencement of work. The consultant is committing itself to utilizing the subconsultants listed on this schedule for the portions of work and subcontract amounts for which they are listed. It is expected that the subconsultants listed on the Schedule B will be from the pool of potential subconsultants listed on the Schedule A. If the consultant needs to list subconsultants that are not on their Schedule A, the consultant needs to refer to the directions included under "1. List of Potential MBE/WBE/SBE/EBE/DVBE/OBE Subconsultants (Schedule A)" for additional details on the process for adding subconsultants to their Schedule A.

3. MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C)

During the term of the contract, the consultant must submit a separate MBE/WBE/SBE/EBE/DVBE/OBE Utilization Profile (Schedule C) for each task work order when submitting an invoice to the City.

4. Final Subconsulting Report (Schedule D)

Upon completion of each task work order, a summary of these records shall be prepared on the "Final Report of Subconsulting and Purchases" form (Schedule D) and certified correct by the consultant or its authorized representative. The completed form shall be furnished to the Department within 15 working days after completion of the task work order.

H. RESPONSIBILITY FOR IMPLEMENTATION AND MONITORING

The Bureau which acts as the City's Project Manager for the resulting contract will be the responsible entity for proper implementation and monitoring of the policy.

I. AWARD OF CONTRACT

Nothing herein restricts the discretion of the Board of Public Works to reject all proposals/bids/submissions of qualifications in accordance with Charter Section 371.

COMPLIANCE WITH LOS ANGELES CITY CHARTER SECTION 470(c)(12) (MEASURE H)

Charter Section 470(c)(12) and related ordinances state that respondents may not make campaign contributions to and/or engage in fundraising for certain elected City officials or candidates for elected City office from the time they submit a response until either the contract is approved or, for awarded responders, twelve (12) months after the contract is signed. CHILD CARE POLICIES

INSTRUCTIONS:

1. Complete and sign the document in two (2) places.

CHILD CARE POLICIES

This Contract is subject to the policy of the City of Los Angeles regarding City Child Care Policies and Vendor System as adopted by City Council. CONTRACTOR is required to complete the Child Care Declaration statement which is attached hereto as Form D and Form E.

- I. City Child Care Policy and Vendor System – On February 24, 1987, the City Council adopted the Child Care Policy for the City of Los Angeles. This policy acknowledges the importance of quality, affordable, accessible child care to the individual, family, work place and community. The City further recognizes that existing child care services and facilities are not adequate to meet current demand, and that such demand is increasing. Failure to address this critical unmet need will have serious, detrimental effects on the physical, social and economic life of Los Angeles. Thus, the City Child Care Policy was adopted, committing the City to use its resources as educator, employer, model and facilitator to act as a catalyst in expanding the supply of quality, affordable child care in Los Angeles.

The City Child Care Policy includes an item specifically designed to address the development and implementation of child care policies and practices by vendors, as follows:

THE CITY OF LOS ANGELES SHALL ENCOURAGE ALL ITS VENDORS TO ADOPT A STATED POLICY ON CHILD CARE. TO THE EXTENT PERMITTED BY LAW, VENDORS WITH STATED CHILD CARE POLICIES SHALL RECEIVE PREFERENCE IN CONTRACTING WITH THE CITY OF LOS ANGELES.

It is the goal of the City to promote and facilitate the establishment and implementation of child care policies and practices which address the critical unmet local need for quality, affordable child care services.

A company may, after a review and due consideration, determine that child care is not an employee need or that a child benefit/service cannot feasibly be offered by the company. In this case, a written policy statement to this effect would also qualify a company for the vendor preference.

- II. Request Child Care Policy Information from Vendors – All vendor applicants should complete the “Child Care Declaration Statement” form, declaring whether the business has a stated child care policy and/or offers any form of child care assistance to employees. Those vendors indicating they have a stated child care policy for employees should file a copy of said policy along with the “Declaration Form”.
- III. Definition of a Stated Child Care Policy – A “Stated Child Care Policy” is a written statement of intent and/or attitude by an employer regarding the provision of child care assistance to employees.
- IV. Definitions of Child Care Assistance – The following definitions apply to the various forms of child care assistance listed on the “Child Care Declaration Statement.”
 - A. EMPLOYER SUBSIDIZED CHILD CARE CENTER(S) –

- B. **EMPLOYER SUBSIDIZED CHILD CARE HOME(S)**
Care for up to fourteen (14) children in the home of a licensed caregiver; may include one (1) home or a network of two (2) or more family day care homes, which receive funds, goods and/or services from an employer who thus subsidizes part of all of the home operating costs; employees of the subsidizing employer may enroll dependents in this care home.
- C. **CHILD CARE REIMBURSEMENT IN ADDITION TO OTHER BENEFITS** Employer helps employees pay for child care expenses by reimbursing the employee or his/her care provider for all or part of the cost of child care; allows employee to select the child care provider, or employer may designate providers or conditions (e.g. only reimburse licensed providers); such reimbursement is provided to the employee in addition to the other employee benefits.

All Requests for Proposals/Bids/Submissions of Qualifications, Invitations for Bids, advertisements for bids, and other similar documents must give notice of these provisions to those who bid on or submit proposals/bids/submissions of qualifications for prospective contracts with the City. **All bidders and proposers are required to complete the attached Certification of Compliance with Child Support Obligations. Failure to return the completed certification as part of the proposal/bid/submission of qualification will result in the proposal/bid/submission of qualification being deemed unresponsive and being rejected.**
