supplies related to RAP's response to COVID-19. In accordance with guidance from State and local health officials to prevent the spread of COVID-19, RAP has activated 24-Hour Emergency Homeless Shelters and Emergency Child Care Centers. While all recreation centers, museums, aquatic facilities, senior centers, golf courses, indoor and outdoor sports amenities, hiking trails and beaches have been closed, RAP's expenses for cleaning and sanitizing supplies have escalated due to the response to COVID-19. RAP continues to incur increased cleaning, sanitizing, and other maintenance expenses associated with the activation of RAP's Department Operation Center (DOC), the maintenance of outdoor park space and restrooms that have public access; operation and maintenance of various 24-Hour Emergency Homeless Shelters and Emergency Child Care Centers; and provision of senior nutrition services.

The requested transfers between appropriation accounts are needed to meet RAP's operational needs for this Fiscal Year due to RAP's response to COVID-19. The funding is made available from the projected savings in other expense accounts as a result of RAP's suspension of normal operations.

FISCAL IMPACT

The transfer between accounts within Fund 302 is for budgetary adjustments that have a net zero impact on RAP's General Fund.

STRATEGIC PLAN INITIATIVES AND GOALS
