SUBJECT: PROPOSITIONS A-I AND A-II PROGRAM PROJECT STATUS REPORT

**SUMMARY**

Approved by the Los Angeles County (County) voters, the Safe Neighborhood Parks, Gang Prevention, Tree Planting, Senior and Youth Recreation, Beaches and Wildlife Protection Acts of 1992 and of 1996 (established as Propositions A-I and A-II, respectively, by City of Los Angeles (City) Ordinance No. 174870) were established to improve the quality of life for citizens throughout the County. Toward that end, the Proposition A grant program has provided funding for development and acquisition projects, youth employment, and facility maintenance that have: 1) improved the safety for children, youth, adults, and senior citizens at recreation and park facilities, 2) encouraged tree planting; 3) increased park land, and 4) restored and preserved beach, park, wildlife, and open space areas.

Since the last Proposition A Grant Program Informational Report was given at the October 2, 2019 Board Meeting, the Proposition A-I and A-II awards have been allocated to 165 projects throughout the City of Los Angeles. Of the 165 projects, 157 projects that received \$129.5 million have been completed and closed with the County. There are only 8 Proposition A projects left. They are as follows:
