### RECOMMENDATIONS

Accept the donations as noted in the Summary of this report and direct that appropriate recognition be given to the donors, Friends of EXPO Center and the staff of Delta Airlines.

### SUMMARY

The Friends of EXPO Center was established as a 501(c)(3) nonprofit organization in 1998 to develop the site of the 1932 Los Angeles Olympic Swimming Stadium and construct a state of the art recreational and community center. Today, a 32-member volunteer Board comprised of community and business leaders continue to provide strategic support and fiscal assistance to EXPO Center. Friends of EXPO Center has supported EXPO Center programming for over 20 years.

On April 23, 2020, a private donor donated 15 - 50" smart televisions to the Friends of EXPO Center in support of the Emergency Child Care Program (ECCP). The televisions will be a great asset to the ECCP, as the youth will have access to educational programming, recreational programs, and age appropriate movies. The total value of the televisions is \$5,000.

Additionally, the staff at Delta Airlines have donated blankets, paper towels with dispensers, tissue, and trash can liners which will be used to support the Emergency Child Care Program at EXPO Center.
