Due to the size of the park, and the facilities, features, programs, and services it provides, Griffith Park meets the standards for a Regional park, as defined in the City's Public Recreation Plan.

PROJECT SCOPE

The scope of work for the Griffith Park – Fern Dell Restroom Demolition (PRJ21417) Project includes the demolition of the restroom building in the Fern Dell section of Griffith Park and installation of picnic tables. See location of restroom building and proposed improvements in Attachment 1.

PROJECT CONSTRUCTION

RAP staff has determined that sufficient funding has been identified for the Griffith Park – Fern Dell Restroom Demolition (PRJ21417) Project and demolition is anticipated to begin in December 2020.

TREES AND SHADE

This proposed Griffith Park – Fern Dell Restroom Demolition (PRJ21417) Project will have no impact on the existing trees and shade at Griffith Park.

ENVIRONMENTAL IMPACT

The proposed Griffith Park – Fern Dell Restroom Demolition (PRJ21417) Project consists of demolition of accessory structures which are not of historical, archaeological or architectural significance as well as of the placement of minor structures accessory to existing institutional facilities. As such, RAP staff recommends that the Board of Recreation and Park Commissioners (Board) determines that it is categorically exempt from the provisions of the California Environmental Quality Act (CEQA) pursuant to Article III, Section 1, Class 1(11d) and Class 11(6) of City CEQA Guidelines and Article 19, Sections 15301(I4) and 15311 of California CEQA Guidelines. RAP Staff will file a Notice of Exemption with the Los Angeles County Clerk upon the Board's approval.

FISCAL IMPACT

The approval of this allocation of Quimby Fees will have no fiscal impact on RAP's General Fund. The estimated costs for the design, development, and construction of the proposed park improvements are anticipated to be funded by Quimby Fees or funding sources other than the RAP's General Fund. The assessment of the future maintenance costs associated with the proposed improvements have yet to be determined and will be included in future budget requests.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP's Strategic Plan by supporting:

Goal No. 1: Provide Safe and Accessible Parks

Outcome No. 2: All parks are safe and welcoming

Result: The demolition of the restroom building in the Fern Dell area will remove dilapidated, unused structures.
