RECOMMENDATIONS

Accept the donations as noted in Attachment 1 and the Summary of this Report and direct that appropriate recognition be given to the donors.

SUMMARY

The Department of Recreation and Parks (RAP), Emergency Management Division was generously donated various items in support of emergency operations during the COVID-19 pandemic. A detailed table of the donations with quantity and item descriptions is set forth in Attachment 1 of this Report.

These in-kind donations were received in the logistics warehouse at 3900 Chevy Chase Drive, Los Angeles, CA 90039 and include the following:

The City's Emergency Management Department, Business Operations Center received a donation from Belkin of various technological devices such as headphones, speakers, chargers and lightning cables for the participants in the Alternative Learning Program to assist with virtual learning.

Community Outreach Promoting Emergency Preparedness (COPE), donated 3,600 bottles of FLTR disinfectant gel (16.9 fl. oz) to be used throughout RAP to help keep employees and patrons safe and sanitary.

Earthquake Country Alliance donated to the Emergency Management Division 1,000 Rocket Rules earthquake preparedness coloring books to promote earthquake preparedness with the children in the Alternative Learning Program.

FISCAL IMPACT

Acceptance of this donation will have no fiscal impact on RAP's General Fund.

STRATEGIC PLAN INITIATIVES AND GOALS

Approval of this Board Report advances RAP's Strategic Plan by supporting:

Goal No. 1: Provide Safe and Accessible Parks

Outcome No. 2: All Parks are safe and welcoming

Key Metric: Provide earthquake preparedness materials to youth in our alternative learning programs and hand sanitizer for employees and patrons.

Target: Assist youth with learning about preparedness and taking it home to parents and family.

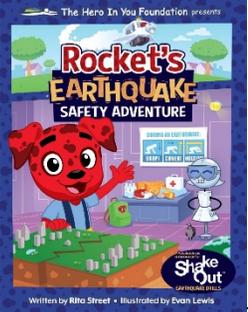

Result: Children in the alternative learning program will have access to earthquake preparedness materials, hand sanitizer and technology devices to aid them in learning. The hand sanitizer will also aid in keeping everyone healthy during the COVID-19 pandemic.

This Report was prepared by Sonya Young Jimenez, Emergency Management Coordinator II, Emergency Management Division.
