### RECOMMENDATIONS

1. Adopt the Fiscal Year (FY) 2021-22 Personnel Resolution herein included as Attachment 1, effective July 1, 2021; and,
2. Authorize substitute positions for FY 2021-22 as listed in the FY 2021-22 Personnel Resolution.

### SUMMARY

The Board of Recreation and Park Commissioners establishes the Department of Recreation and Parks' (RAP's) employment authority on an annual basis through the Personnel Resolution. This fiscal year (FY 2020-21), 140 budgeted, Regular Positions were vacated when their incumbents retired via the Separation Incentive Program (SIP). These 140 Regular positions were initially deleted, but the funding for them was restored through the budget process and they are included in the FY 2021-22 Personnel Resolution as part of 208 One-time Positions. Management anticipates the 140 SIP-vacated positions will be restored as Regular Positions during the following budget cycle (for FY 2022-23).

RAP's FY 2021-22 Personnel Resolution will authorize 1,398 regular positions (including 55 positions which salaries will be reimbursed by the Harbor Department); five (5) unpaid, voluntary Commissioner positions; 89 substitute positions; 173 in-lieu positions; 142 positions funded by the golf operations fund; and 127 positions funded by special funding sources other than the golf operations fund. In addition, it authorizes a total of 203 One-time Positions subject to renewal on an annual basis. It also authorizes 32 classifications (some of which have multiple pay grades or salary rates) that may be used to employ as-needed employees, and 24 classifications (some of which have multiple pay grades or salary rates) that may be used to bring on hiring hall craft employees.
