SUMMARY

The USTA Grow the Game grant opportunity was offered to continue the relief, recovery, and rebuilding of support for the tennis industry by assisting with the delivery of entry-level programs for new and returning players. The purpose is to defray some of the costs to organizations of delivering quality entry-level programs who are actively engaging new and returning players into the sport in a safe and meaningful way.

RAP has been invited by USTA to advance to the next step in the Grant, which is to submit documents by December 1, 2021, validating the number of new and returning players in RAP's 2021 tennis programs. At that point, USTA will determine if funding will be awarded and the amount, which is stated in the Grant opportunity as up to Twelve Dollars (\$12) per player, but the final grant award amount, if any, is at the discretion of USTA.

The USTA Grow the Game grant will assist RAP with the purchase of tennis balls and equipment such as mini-teaching carts or tennis ball retrievers, to be utilized at RAP's tennis courts emphasizing entry-level programs. Through this Report, RAP staff requests approval of its submission of the application for the Grant and for the acceptance of Grant funds, if awarded.

FISCAL IMPACT

Acceptance of this Grant will have no impact to RAP's General Fund and will instead provide essential funding to further enhance entry-level Tennis Programs.
